## In this issue

- *SIS presentations at the 6th SIS General Meeting within World Financial Symposium 2017*
- *SIS Release 1.11 Changes deployment in SIS Sandbox*

## SIS presentations at the 6th SIS General Meeting within World Financial Symposium 2017

SIS presentations and videos from the 6th SIS General Meeting, 26th September 2017, within the World Financial Symposium 2017 held in Dublin, are available on SIS website under the "Presentations" and "Videos" tabs.

All WFS presentations from the 2 days of Financial Symposium, 27th-28th September 2017, will be available on the WFS website. Please click here for more details.

## SIS Release 1.11 Changes deployment in SIS Sandbox

Changes for SIS Major Release 1.11 are scheduled to be deployed on the SIS Sandbox on October 9th 2017.

We encourage all Members to submit test files in the SIS Sandbox environment to ensure compliance with SIS Release 1.11 changes prior to the deployment on SIS production at the start of November P1 2017 clearance, on 8th November 2017.

Major Release 1.11 Scope Document was prepared to give participants an overview of the changes going into the release. The full suite of SIS technical documentation had been updated to reflect the changes and was published on the SIS website under the Technical Documentation page.

Kind regards,

**SIS OPERATIONS TEAM**
