

Keep your electronic devices safe

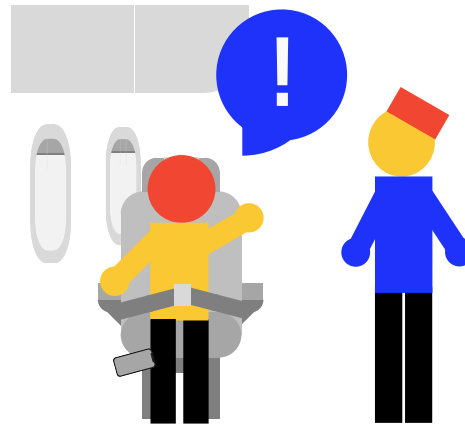

1 Keep them near you, i.e. not in your checked baggage

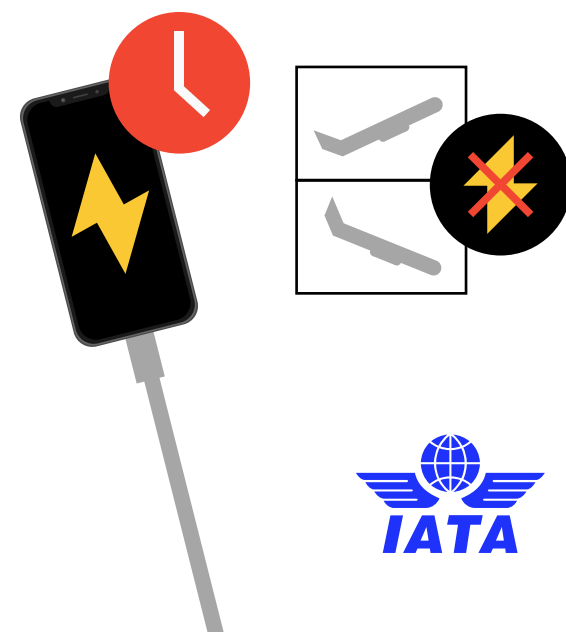

2 If they become unusually hot, call a cabin crew member immediately

3 If you drop them into your seat, do not move the seat and call a cabin crew member immediately

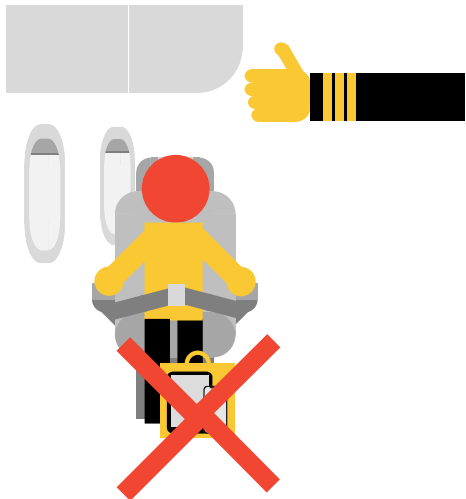

4 Do not leave to charge unattended. Charging is not usually permitted during take-off and landing

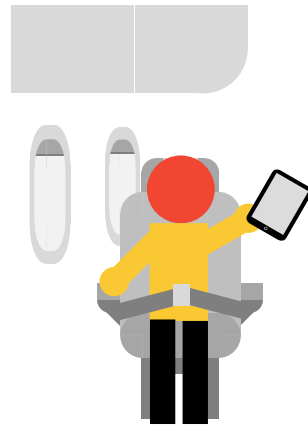

Use your electronic devices safely

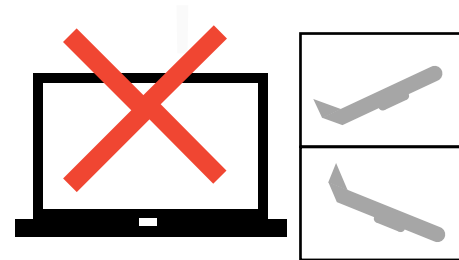

1 Occasionally the Captain may require that ALL electronic devices are switched off

2 Small devices, like phones or tablets, can usually be held for taxi take-off and landing.

3 Larger devices like laptops must be safely put away during taxi take-off and landing.

4 Always activate Flight Mode before departure.
