

IATA E-FREIGHT

Monthly volumes report

October 2009

Now that IATA e-freight is available on both international and domestic trade lanes, we decided to produce 3 reports showing the e-freight monthly volumes:

- The total monthly e-freight volume report
- The international monthly e-freight volume report
- The domestic monthly e-freight volume report

For more information, please visit: <http://www.iata.org/e-freight>

If you have questions, please contact us using: IATAe-freight@iata.org

IATA E-FREIGHT

Total monthly e-freight volume

October 2009

This month's report shows record high volumes of consignments and shipments with 15 new forwarders starting e-freight. Asiana started reporting domestic consignments. A number of previous volume records are broken for several countries, airlines and forwarders.
