Subject: BOSS Service

Dear Sir,

The commercial statistics, called BOSS, will be from now on commercialised and supported directly by ADP without any IATA intervention, as agreed between IATA and ADP in the contract signed in the 22nd of May 2006.

However, until 31st December 2007, BOSS will be invoiced by ADP through IATA. After that date, ADP will invoice the Airlines directly.

For any BOSS service related issue, please contact the following e-mail addresses

- info@adpclearing.com , for sales orders
- boss.support@adpclearing.com, for technical support

Sincerely yours

ADP Clearing
