

INDUSTRY TAXATION

AREAS OF ACTIVITY

- Develop strategies and action plans to protect the interests of IATA Member airlines
- Direct attention, both within the industry and within governments, on the real impact of taxation on airline economics (and the tourism industry)
- Monitor tax developments, identifying those charges which will increase the airlines' tax burden; effectively communicate any arising tax issues to the airlines and undertake working group activity and field missions to actively fight issues as appropriate
- Actively promote the maintenance of the worldwide regime of reciprocal exemption (as laid out in ICAO Policy Document 8632)

BENEFITS

- Ability to attend the Annual Industry Taxation Seminars
- Preferential speaking and marketing opportunities at Annual Industry Taxation Seminars
- Sponsorship opportunities at Annual Industry Taxation Seminars
- Access to information on the Industry Taxation private website including a hyperlink to a company website

COMMITTEES & WORKING GROUPS

INDUSTRY TAXATION WORKING GROUP

Contact: Ms. Charlotte Fantoli
Manager, Industry Taxation
Tel + 41 22 770 2638, Fax: 41 22 770 2689
E-mail: FantoliC@iata.org
www.iata.org/workgroups/taxation

The Industry Taxation Working Group is a group of specialised tax experts that provides technical advice and guidance to IATA management on specific aspects of IATA led campaigns. The Working Group meets on a regular basis and calls meetings as required.
