DALLAS
FORT WORTH
INTERNATIONAL
AIRPORT

Focus on Dallas Fort Worth Track Summary: Cargo at Dallas Fort Worth International (DFW) Airport has grown significantly in recent years with new carriers, enhanced freighter operations, increased airport investment in state of the art facilities and a specific strategy focused on connecting the Americas with US domestic destinations, Asia, Europe and beyond. With a vision and strategy to continue this growth path the track will explore the success stories thus far as well as looking at the vision for the future. However, growth brings challenges which will also be featured.
