Horizon

IATA's Air Cargo Innovation Forum

Agenda

Horizon – IATA’s Innovation Forum

Horizon is the first IATA’s Air Cargo Innovation Forum. Open to all WCS delegates, it aims at stimulating conversations and encouraging all types of innovative ideas.

Participants will not only help shaping the air cargo’s innovation roadmap, but will be able to bring back great ideas and fresh views to their own organizations.

Workshop Agenda

14:00 - 14:10 **Welcome address & opening remarks**
Celine Hourcade, Head of Cargo Transformation, IATA

14:10 - 15:00 **What if we could?**
What is holding us back from transforming?

Firestarter: Svilen Rangelov the co-founder and CEO of Dronamics
Group discussion facilitated by Celine Hourcade, IATA

15:00 - 15:30 **The Digital Tornado! What’s next in technological development?**
Wojciech Soltysiak, the Chief Technology and Innovation Officer at CHAMP Cargosystems will give us an overview of coming disruptive technologies that might impact our lives, and our industry.

Tech Talkers:

- Svilen Rangelov, Dronamics on **Drones**
- Thomas Pellegrin, PwC on **Blockchain**
- Wojciech Soltysiak, CHAMP Cargosystems on **Smart devices**

15:30 - 16:15 Networking Break

16:15 – 16:40 Tech Talks – continued

16:40 – 17:20 Take action! Building the air cargo innovation roadmap
Participants will form break-out groups to establish the air cargo innovation roadmap.
The workshop will be facilitated by all the speakers: Celine, Svilen, Thomas and Wojciech.

17:20 - 17:30 Closing remarks
Celine Hourcade, Head, Cargo Transformation, IATA

18:30 – 20:00 Welcome Reception
