

New Distribution Capability (NDC) Registry – Disclaimer and Terms of Use

By accessing and using the NDC Registry, you agree to the following terms and conditions below:

1. SCOPE OF DESIGNATIONS

NDC-Certified and NDC-Capable designations:

- Validate that the structure of an applicant's NDC messages accurately follows the relevant version of the applicable NDC schemas.
- Are only valid as at the dates listed in the NDC Registry, for the version, level and messages listed.

XML-Capable registration:

- IATA does not verify or validate in any way any of the information provided by applicant.
- The registration only communicates the applicant's self-declaration that it is capable of generating and receiving XML messages in the specific form detailed herein.

PLEASE NOTE: The NDC-Certified, NDC-Capable or XML-Capable designations do not validate the content of the designated entity's messages and do not entail any kind of certification, validation or endorsement of (i) any aspect of the entity, (ii) the quality or other aspects of its activities or products or XML API, (iii) any commercial products that may be derived from the usage of validated NDC messages or the XML API, or (iv) (for XML-Capable only) compliance with NDC message schemas or any XML schemas.

2. DISCLAIMER

The International Air Transport Association shall not be held responsible for any loss or damage caused by errors, omissions, misprints or misinterpretation of the contents of the NDC Registry. Furthermore, the International Air Transport Association expressly disclaims any and all liability to any person or entity, including users of the NDC Registry, in respect of anything done or omitted, and the consequences of anything done or omitted, by any such person or entity in reliance on the contents of the NDC Registry.

3. INTELLECTUAL PROPERTY AND PERMITTED USE

All right, title and interest in the NDC Registry and its content shall remain with the International Air Transport Association. The NDC Registry and its content, in whole or in part, may solely be used for internal study and application purposes, and for no other purpose. For clarity, users shall be allowed to download the specific content made available for download on the NDC Registry, subject to the permitted uses set out above. In any event, no part of the NDC Registry may in any way be incorporated, distributed or otherwise used for any purpose that is commercial in character, whether or not for profit. Except as per the permitted downloads detailed above, no part of the NDC Registry or its content may be reproduced, recast, reformatted or transmitted in any form by any means, electronic or mechanical, including photocopying, recording or any information storage and retrieval system, without prior written permission from:
