# 1. Ticketing Handbook (THB)

Prepared by an international group of ticketing experts, the Ticketing Handbook is the official guide to worldwide airline passenger ticketing. The THB thoroughly details what entries to make on tickets and, miscellaneous documents; and it now focuses coverage on electronic ticketing and the new electronic miscellaneous documents.

This Handbook clarifies even the most complicated fare calculation rules by explaining each ticketing principle in easy-to-understand language and examples.

The Ticketing Handbook English version comes with a CD-ROM that features an electronic version of the manual (in Adobe Acrobat PDF format) to facilitate searching by use of key words.

### **Key Benefits:**

- The most comprehensive ticketing guide available
- Quick reference for fare calculation and ticketing entries
- Up-to-date Electronic Ticketing guidelines
- The latest information on Electronic Miscellaneous Documents
- Written in easy-to-understand language with relevant examples

<b>Price THB (7745)</b>	<b>USD</b>
Regular	\$135
Strategic Partners	\$115
IATA Airlines Members	\$95

# 2. IATA Suite of Tax Products

A complete suite of applications to help airlines, GDS systems, fares search engines and service/solution providers to identify taxes, fees and charges, price and ticket complex itineraries and process, bill, audit and settle taxes, fees, and charges, with speed and efficiency. The databases, posted on a secure web-based platform, offer user-friendly interfaces with expanded search capabilities. The format additionally allows system integration.

### **Key Benefits:**

- Ensures accuracy in collecting and remitting taxes, fees and charges for each ticket
- Look-up feature with data sorted, filtered and grouped by airport, country, currency and tax code, and flight segment.
- Dynamic source of information containing carrier specific amounts
- Automated environment with no special software required

- Data available in MSAccess for easy download
- Data available in XML-format for integration in proprietary systems for streamlined processes

The IATA Tax Products come in four possible formats tailored to fit different needs.

### **TOP Premium Monthly (package)**

TOP Premium Monthly bundles the Revenue Accounting Tax Database (RATD) with the Ticket Tax Box Service (TTBS) providing you with a complete overview on taxes, fees and charges with monthly updates.

- Ticket Tax Box Service – Monthly Updates
- Revenue Accounting Tax Database
- IATA List of Ticket and Airport Taxes and Fees

<b>Price Top Premium Monthly (7752)</b>	<b>USD</b>
Regular	\$13,192
Service Providers	\$13,192
IATA Airline Members	\$6,301

### **TOP Premium Daily (package)**

Combining the Revenue Accounting Tax Database (RATD) and Ticket Tax Box Service (TTBS) in daily updates, TOP Premium Daily is the most comprehensive and up-to-date solution available for current information on air passenger taxes, fees, and charges with e-mail alerts.

- Ticket Tax Box Service – Daily updates
- Revenue Accounting Tax Database – Daily updates
- IATA List of Ticket and Airport Taxes and Fees
- E-mail notification for changes performed in the database
- Posting of XML-files of changed tax codes on the extranet

<b>Price Top Premium Daily (7751)</b>	<b>USD</b>
Regular	\$34,699
Service Providers	\$34,699
IATA Airline Members	\$16,563

## Revenue Accounting Tax Database (RATD)

RATD is customized for revenue accounting to process interlines billing. It is the industry reference for the coded taxes, fees, and charges that are to be collected and remitted for interline tickets.

<b>Price RATD (7749)</b>	<b>USD</b>
Regular	\$7,189

Strategic Partners	\$7,459
IATA Airlines Members	\$5,913

<b>Price – Cargo Only (7758)</b>	<b>USD</b>
Regular	\$2,967
Strategic Partners	\$2,522
IATA Airlines Members	\$1,999

## 11. Tariff Coordinating Conference Composite Manuals

The 'Composite Manuals' provide the most up to date Tariff Resolutions divided into five different important pillars:

**Common Industry Definitions** – Provides common understanding and standard application of the fare-related definitions applicable to the Resolutions of the Passenger Tariff Coordination Conferences.

**Mileage Principles** - Establishes a standard application of mileage.

**Fare Construction Principles** - Fare construction rules for journeys, pricing units, fare components and fare construction checks.

**Common Currency Application** - Common currency standards, such as codes and rounding rules for fare construction application and interlining.

**Interline Baggage Acceptance Rules** - Standard conditions for Interline baggage acceptance, free baggage allowance standards and regulations from where members could deviate if commercially deemed necessary.

**Administrative Resolutions** – Contains Resolutions to facilitate and explain the Government filing procedures for any adopted IATA package. It now includes the outstanding government approvals.

The 'Composite Manuals' are available in electronic version in combination with the subscription to the online library. It provides the user with monthly updates to always have the latest information at hand. It is also available in published version.

<b>Price – e-Composite (7796)*</b>	<b>USD</b>
Regular	\$1,747
Strategic Partners	\$1,485
IATA Airlines Members	\$1,177

<b>Price – Published Version (7795)</b>	<b>USD</b>
Regular	\$348
Strategic Partners	\$296
IATA Airlines Members	\$235

\* The e-Composite is available for Online Library subscribers only

## 12. e-Resolutions Manuals

(Previous Tariff Coordinating Conference Resolutions Manuals)

The electronic Resolutions Manuals provides an easy access to all Passenger Tariff Conference agreements.

It is your new, updated, environmentally friendly solution replacing TC Resolution Manual books currently published in paper once a year.

The e-Resolutions Manuals contain effective Resolutions in all IATA Traffic Conference areas regularly amended with all changes resulting from e-Tariffs meetings or Mail Votes.

Search functions are easily manageable allowing you to find specific Resolutions, conditions and rules that concern your area either by TC area, TC subarea or effective date

<b>e-Resolutions Manuals (7800)</b>	<b>USD</b>
Regular	\$2,424
Strategic Partners	\$2,060
IATA Airlines Members	\$1,697

## 13. Cargo Tariff Coordinating Conference Resolutions Manuals

The Cargo Tariff Coordinating Conferences Resolutions Manual provides a central reference to the texts of all current resolutions adopted by the Cargo Tariff Coordinating Conferences. The Manual also contains the texts of government reservations which have been placed on resolutions.

The CTC is available in printed and electronic file versions once a year. The electronic version includes several memos update during the year when applicable.

<b>Price – Cargo (7798)</b>	<b>USD</b>
Regular	\$335
Strategic Partners	\$284
IATA Airlines Members	\$213

## 14. Passenger Interline Tariff Webinars

Organized by IATA and presented by experts in the industry, the PIT webinars covers a wide range of current and relevant topics on Interline Tariffs, such as Repricing Exchanges and Open Jaw Pricing.

<b>Passenger Interline Tariff Webinar (8040)</b>	<b>USD</b>
