DANGEROUS GOODS BOARD (DGB)
Contact: Mr. David Brennan
Ass Director, Cargo Safety and Standards
E-mail: brennand@iata.org
www.iata.org/dgb

The objective of the DGB is to promote the safe transport of dangerous goods by air. This is accomplished by establishing clear, concise and practical procedures for shippers, freight forwarders and airlines. These Regulations are applicable worldwide and take into account the operational needs of our members, as well as the special conditions to which a package is subject to during transportation by air. The Board meets to consider and review new developments in the international regulatory arena. The board discusses problems that arise in the carriage of dangerous goods and acts to modify or develop new regulations as appropriate.

DANGEROUS GOODS TRAINING WORKING GROUPS (DGTWG)
Contact: Ms. Alexandra Jiménez
Manager, Cargo Standards
E-mail: jimeneza@iata.org
http://www.iata.org/whatwedo/workgroups/Pages/dgtwg.aspx

The DGTTF reports to the Dangerous Goods Board and meets twice a year to review all matters pertaining to dangerous goods training. It was established by the DGB to review, amend and update the IATA Dangerous Goods Training Programme. The contents thereof are current and fully aligned with the IATA Dangerous Goods Regulations. Other tasks are:
- To maintain and update the dangerous goods instructor’s manual
- To review third party dangerous goods training programs submitted for endorsement by IATA in order to ensure they meet the required high standards.

LIVE ANIMALS & PERISHABLES BOARD (LAPB)
Contact: Mrs. Andrea Gruber
Senior Manager Special Cargo
Email: grubera@iata.org
www.iata.org/lapb

The LAPB develops regulations for the acceptance, handling and loading of live animals and perishable cargo such as foodstuffs, and cut flowers in air transport.
TIME AND TEMPERATURE TASK FORCE (TTTF)
Mrs. Andrea Gruber
Senior Manager, Special Cargo
Email: grubera@iata.org

The Time and Temperature Task Force gathers and sets the standards for the movement of goods that are sensitive to time and temperature for the Health Care community and their supply chain logistics partners. More specifically, the task force is continuously revising the requirements as set in of Chapter 17 of the Perishables Cargo Regulations. Its membership comprises airlines, pharmaceutical companies and third party service providers. The Task Force meets in conjunction with the Live Animals and Perishables Board.

IATA CLEARING HOUSE DISCOUNT
Strategic Partners receive a substantial discount upon joining the IATA Clearing House:
The IATA Clearing House (ICH) provides the means to settle all the billed items sent to and from airlines around the world. Used by more than 400 airlines either directly or via special links, the ICH settles around USD 50 billion of interline billings every year. Its efficiency is so great that airline cash and settlement requirements are reduced by around 75%, and risks for all participants are minimized.
