FLIGHT OPERATIONS

DESIGNED FOR

- Aircraft manufacturers
- Inflight service & product providers
- IT service providers

AREAS OF ACTIVITY

- Flight Operations Issues
- Aircraft Performance
- Global Meteorological Information

FLIGHT OPERATIONS STRUCTURE

```
+-------------------+                        +-------------------+
| Operations Committee (OPC) |                        | Flight Operations Support Task Force (FOS-TF) |
|----------------------------|                        |                                                |
| Flight Operations Group (FOG) |                        |                                                |
| Aircraft Performance Task Force (APTF) |                        |                                                |
| Standard Computerized Airplane Performance Task Force (SCAPTF) |                        |                                                |
```
COMMITTEES & WORKING GROUPS

FLIGHT OPERATIONS GROUP (FOG) - by Invitation only
Contact: Mr. Viktor Robeck
Head, Flight Operations Regulatory Affairs, FOPS
Email: robeckv@iata.org

The FOG reports to the Operations Committee and meets twice a year. Membership consists of senior flight operations and air traffic management executives from 10 major international airlines. The group develops policies, standards and recommendations on all aspects of flight operations (flight crew training, scheduling, CNS, ATM, meteorology, performance), new technology and human factors and it addresses operational matters of strategic importance.

FLIGHT OPERATIONS SUPPORT TASK FORCE (FOS TF)
Contact: Mr. Fernando Rodriguez
Project Coordinator, Operations and Infrastructure
Email: rodriguezf@iata.org
http://www.iata.org/whatwedo/workgroups/Pages/flight-ops-support.aspx

This task force consists of flight operations and meteorological experts from major international airlines. METTF is currently monitoring implementation of the ICAO World Area Forecast System, developing measures to limit the impact of volcanic activity on flight operations, and exploring new technology issues such as meteorological datalink applications.

AIRCRAFT PERFORMANCE TASK FORCE (APTF) - by Invitation only
Contact: Mr. John Synnott
Manager, Flight Operations IT
E-mail: synnottj@iata.org
http://www.iata.org/whatwedo/workgroups/Pages/aircraft-performance-task-force.aspx

This task force meets annually and deals with all aspects of aircraft performance. APTF’s work includes proposed government regulations; information provided by or required from the manufacturers, runway and airport issues including digitized performance and obstacle data.

STANDARD COMPUTERISED AIRPLANE PERFORMANCE TASK FORCE (SCAPTF) - by Invitation only
Contact: Mr. John Synnott
Manager, Flight Operations IT
E-mail: synnottj@iata.org
http://www.iata.org/whatwedo/workgroups/Pages/scaptf.aspx

This task force works to standardize and optimize the interface between the aircraft manufacturers’ performance software and the airlines’ computerized performance programs. The result is published as performance data specifications.

ADDITIONAL STRATEGIC PARTNERSHIPS’ BENEFITS

BRANDING
- Recognition as a valuable supporter of IATA and the air transport industry
- Inclusion in the IATA Strategic Partnerships online directory
- Exclusive usage of the IATA Strategic Partnerships logo
- Promotion through the electronic quarterly newsletter, the Partner Brief, viewed by thousands of aviation industry contacts
- Monthly posting of Strategic Partners’ press releases on the IATA website

IATA CLEARING HOUSE DISCOUNT
Strategic Partners receive a substantial discount upon joining the IATA Clearing House:
The IATA Clearing House (ICH) provides the means to settle all the billed items sent to and from airlines around the world. Used by more than 400 airlines either directly or via special links, the ICH settles around USD 50 billion of interline billings every year. Its efficiency is so great that airline cash and settlement requirements are reduced by around 75%, and risks for all participants are minimized. http://www.iata.org/services/finance/clearinghouse/Pages/index.aspx

PUBLICATIONS
Partners may purchase publications at a preferential rate: www.iata.org/publications

COURSES
Strategic Partners may receive 55% discount on the first 2 seats per year to any IATA classroom course (subject to availability): www.iata.org/training
