

# The Journey Pass

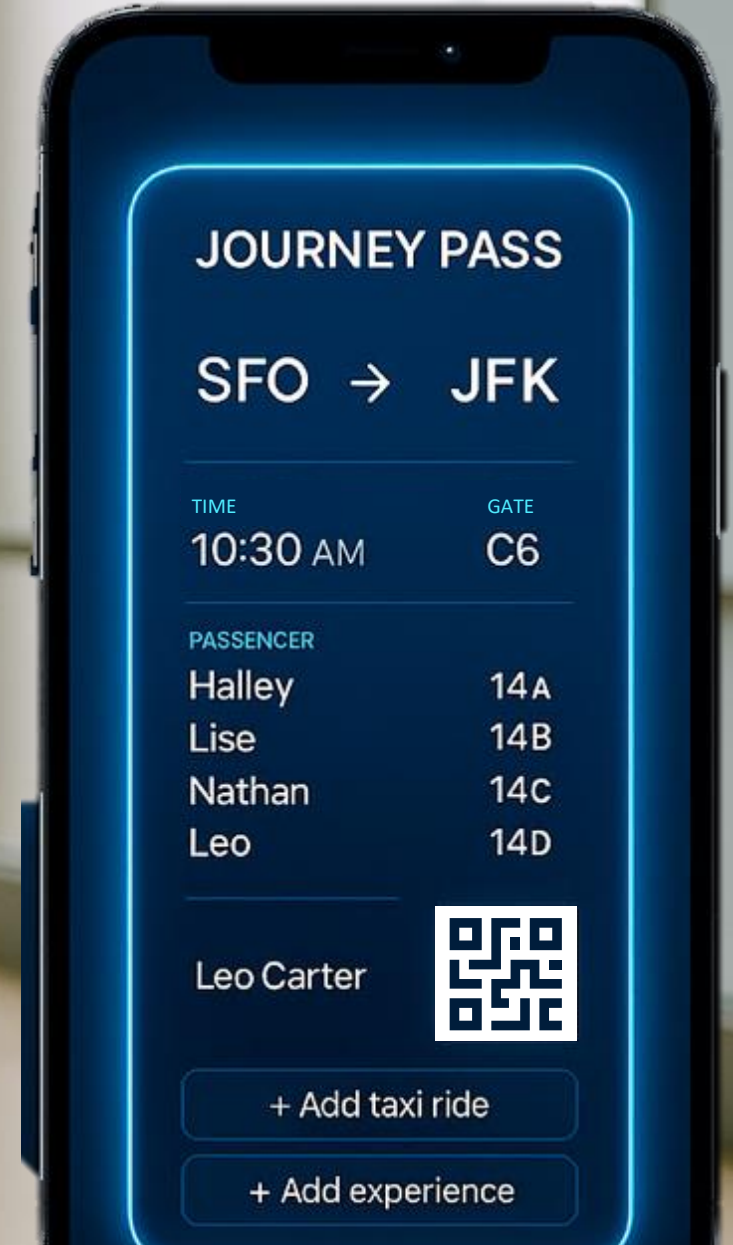

From documents to experiences

**amadeus**

# One credential. Every moment.

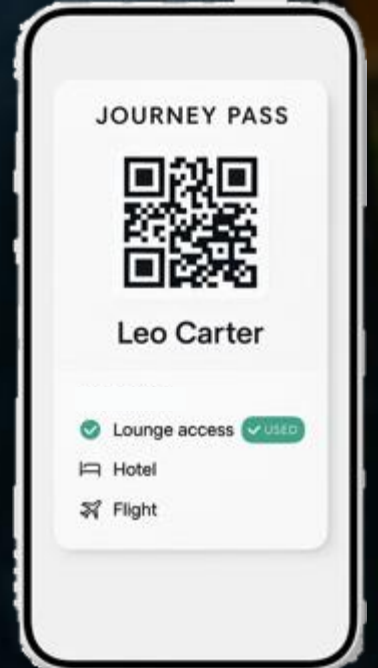

At every step, for  
all services.

# Real-time control over service consumption

Instantly track, manage, and share service usage.

  
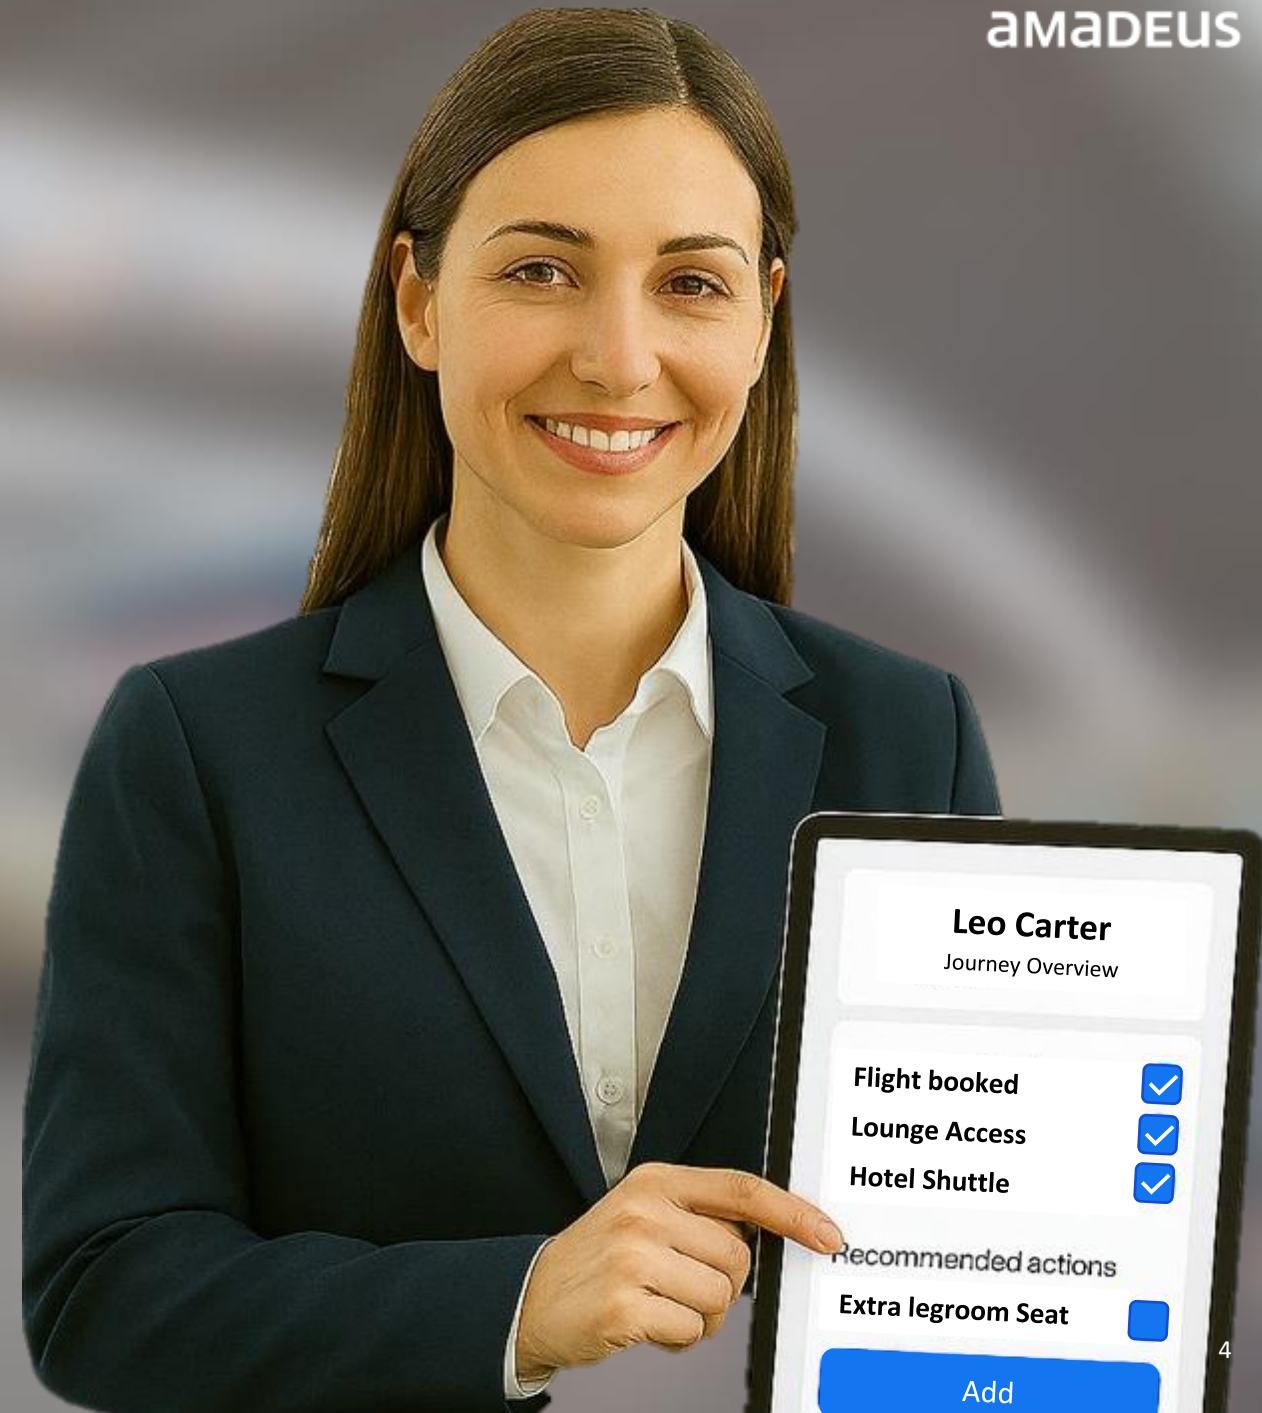

**ACCESS  
AUTHORIZED**

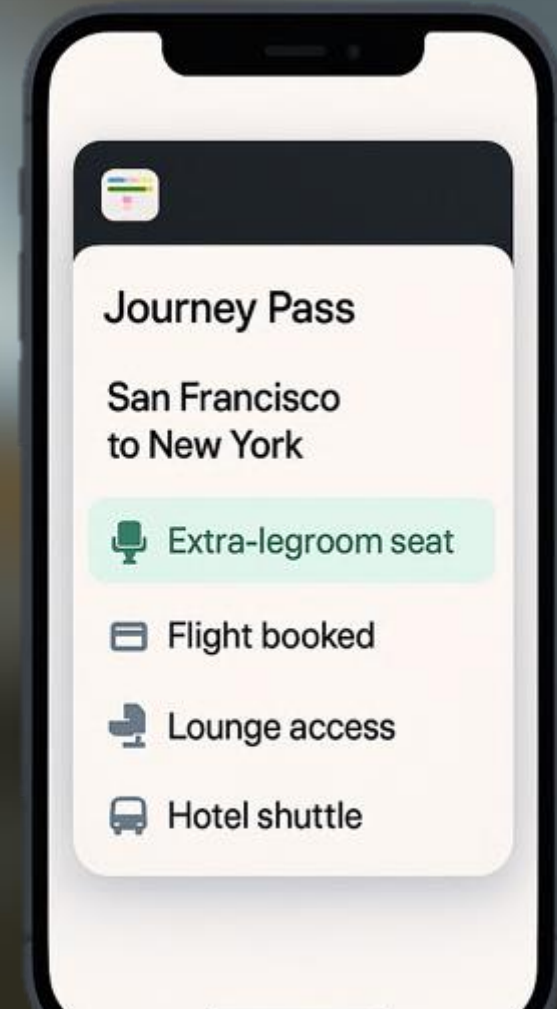

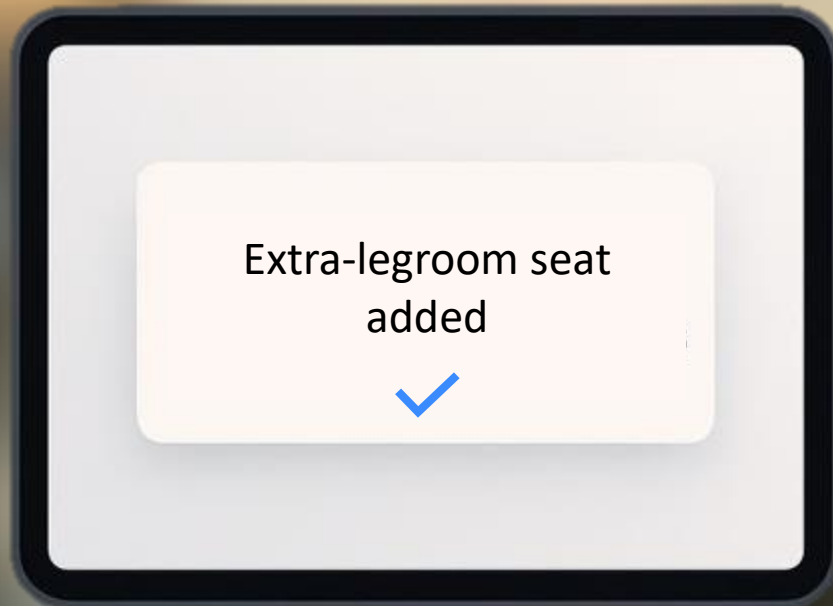

# From Agent to “Host”

Let's meet Amanda!

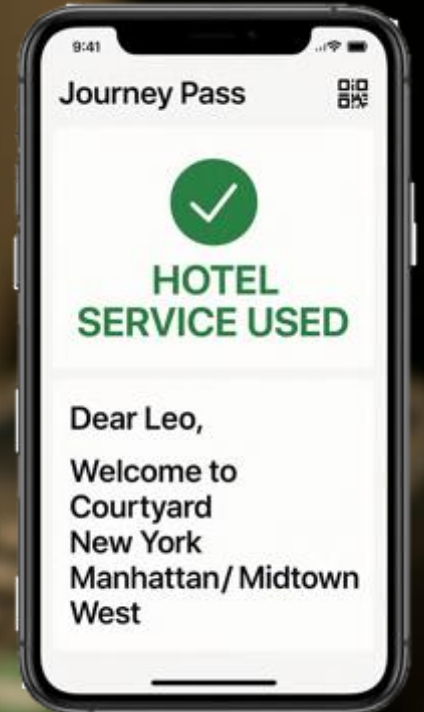

# Technology Enabling Hospitality

Personalized Support, Instantly Delivered.

# One Pass for all Adventures

Beyond flights, unlock every experience.

# Value for all

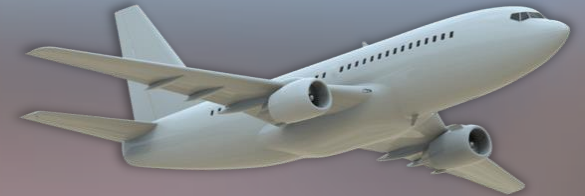

One pass, all journeys  
Real-time support, human touch  
Operational excellence, new revenue

*"With Journey Pass, my trip adapts to me, not the other way around."*

*"I stop firefighting. System tells me who needs help and what to do first."*

*"One credential orchestrates journeys, unlock new revenue and streamlines operations."*

# Be the Host of Every Journey

**More than a pass.**

A new way to deliver travel where technology and human touch combine to create journeys that host the traveler.
