IMPORTANT

PLEASE READ THIS AGREEMENT IN FULL BEFORE DOWNLOADING AND/OR USING THE DATA.

THIS END USER LICENSE AGREEMENT ("AGREEMENT") IS A LEGAL AGREEMENT BETWEEN THE PERSON, COMPANY, OR ORGANIZATION THAT HAS LICENSED THIS DATA ("LICENSEE") AND THE INTERNATIONAL AIR TRANSPORT ASSOCIATION ("IATA" or "LICENSOR"). BY DOWNLOADING AND/OR USING THE DATA, CUSTOMER ACCEPTS THE DATA AND AGREES TO THE TERMS AND CONDITIONS OF THIS AGREEMENT. READ IT CAREFULLY BEFORE COMPLETING THE INSTALLATION PROCESS AND USING THE SOFTWARE. BY DOWNLOADING AND/OR USING THE DATA, YOU ARE CONFIRMING YOUR ACCEPTANCE OF THE DATA AND AGREEING TO BECOME BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO BE BOUND BY THESE TERMS, OR DO NOT HAVE AUTHORITY TO BIND THE CUSTOMER TO THESE TERMS, THEN DO NOT DOWNLOAD AND/OR USE THE DATA.

1. Grant of Licence. Licensor hereby grants to Licensee a personal, non-exclusive, non-transferable, non-assignable license to use the Data for its consulting, research and/or analytical activities in the ordinary course of its business, as a single-user or multi-user as specifically selected by Licensee and only for the period during which Licensee has paid the applicable License Fees, subject to the restrictions set out herein. Subject to any earlier termination in accordance with this Agreement, every new edition of the Data is licensed on a perpetual basis. Notwithstanding the foregoing, the licensed granted hereunder does not extend to any subsequent edition of the Data unless a subscription is renewed or a new subscription is purchased (as applicable). The Data shall remain the exclusive property of the Licensor and is licensed, not sold, to the Licensee as a single product pursuant to terms and conditions of this Agreement.

2. Subscription-Based Term. The purchase of the Data and subsequent editions is subscription-based. If Licensee selects a non-renewable subscription, this Agreement shall enter into effect on the purchase date and shall remain in effect for a period of twelve (12) months, after which this Agreement and the subscription will terminate, and Licensee will not receive any subsequent editions of the Data, unless Licensee selects to renew the subscription. If Licensee selects an automatically-renewed subscription, this Agreement will automatically renew on the anniversary date for additional successive twelve (12) month terms and Licensee will receive subsequent editions of the Data, unless the subscription is terminated by
either party by written notice no later than thirty (30) days prior to the end of the then current annual term. Licensee will receive renewal notices by e-mail at least sixty (60) days prior to then current annual term with the pricing details for the upcoming term and instructions on how to renew the subscription (if a non-renewable subscription was selected) or terminate the subscription (if an automatically-renewed subscription was selected). A non-renewable subscription may be converted into a renewable subscription, and vice versa, at any time upon providing written notice to Licensor.

3. **License Fees and Payment.** In consideration of the rights granted hereunder, Licensee undertakes and agrees to pay the Licensor the license fees stated upon purchase and if applicable, renewal, of the subscription (the “License Fees”).

4. **Intellectual Property Rights.** The Data is the property of Licensor and/or its licensors, and all rights, title and interest in and to the Data and any accompanying written or printed materials, or related thereto, including without limitation any intellectual property rights, know-how, methodology, processes and trade secrets, are owned by Licensor and/or its licensors. Nothing contained in this Agreement shall prevent Licensor from using the Data, or any portion thereof, in any form or manner, or from making the Data, or any portion thereof, available to any other entity or person at any time and for any purpose. Licensee agrees to treat the Data in the same manner as any other material protected by intellectual property laws and treaties.

5. **Restrictions.** Except in accordance with the terms and conditions of this Agreement, Licensee shall under no circumstances have the authority hereunder to:

   a. reverse engineer, de-compile, disassemble or prepare derivative works from the Data;

   b. sub-license any rights granted hereunder to any third party, entity or person without having received the prior written consent of the Licensor, which consent shall be at Licensor’s sole discretion;

   c. publish or otherwise publicly disclose, sell, transfer, redistribute, let or hire the Data or any part thereof, directly or indirectly, to any third party, entity or person not an employee or consultant of Licensee;

   d. duplicate or copy the Data and any information or data contained in the Data or any part thereof except for the permitted purpose of the license granted hereunder;

   e. use in any manner the Data or any information contained in the Data;

   f. directly or indirectly export or transmit the Data or related materials (or any part thereof) to any country to which such export or transmission is restricted by any applicable regulation or statute, without the prior written consent of the competent governmental authority and of the Licensor;

   g. enter into any contract on behalf of the Licensor or assume or create any obligation whatsoever, expressed or implied, in the name of the Licensor, or otherwise bind the Licensor in any manner whatsoever, except as set forth in this Agreement;

   h. provide the Data to, or incorporate the Data in products or services provided to third parties, save and except that,
(i) The Licensee may, as part of its consulting, research and/or analytical activities in the ordinary course of its business, create, provide and distribute to third parties (orally, in writing, electronically or otherwise) reports, presentations and other publications which utilize limited and insignificant excerpts of the Data without the prior written consent from IATA and without payment of any additional fee, provided that appropriate references are made to the copyright of IATA on or near each such excerpt;

(ii) The Licensee may, as part of its consulting, research and/or analytical activities in the ordinary course of its business, convert the Data, and disclose information in such converted form solely to its clients, such converted information, however, to be in no event disclosed publicly or to the media by the Licensee or its clients without the express written permission of IATA;

i. without limiting the generality of the foregoing subsections, allow any third party, entity or person to have access to, or use, the Data, directly or indirectly, without the prior written consent of the Licensor, which consent shall be at Licensor’s sole discretion.

6. Termination by Licensor. Notwithstanding any provision of this Agreement and without prejudice to any other rights, Licensor may immediately terminate the licence granted in Section 1 hereof, notwithstanding its perpetual nature, upon written notice to Licensee if Licensee breaches or otherwise fails to comply with any terms and conditions of this Agreement.

7. Consequence of Termination. Upon termination of this Agreement by Licensor pursuant to Section 6 hereof, Licensee shall immediately destroy all copies of the Data and all of its component parts, and shall refrain from making any further use whatsoever of the Data. This requirement applies to all copies of the Data in whatever form, partial or complete, and whether or not modified or merged into other materials, and whether or not merged with the data of Licensee.

8. Discontinuation. Licensor may at any time, permanently or temporarily, discontinue, interrupt, reformat or otherwise cease offering the Data or modify the manner in which the Data is offered or sold, subject to the rights granted under Section 1 hereof in respect of any past licensed editions of the Data.

9. Audit. Licensor shall have the right to inspect/audit Licensee’s systems and records, at any of Licensee’s locations, to ensure the Data is integrated, accessed and used in accordance with the terms of this Agreement. The audit right may be exercised only as follows: (i) after reasonable notice to the other party, (ii) during normal business hours, and (iii) no more than one (1) time during each twelve (12) month period. IATA shall bear all costs for such audit unless the audit reveals a breach of the terms of this Agreement by Licensee.

10. Disclaimer of Warranty. Licensor has used commercially reasonable efforts in collecting, preparing and maintaining material for inclusion in the Data. However, the Data is provided on an “as is” and “as available” basis, and Licensor does not represent or warrant that Licensee’s use of the Data will meet its requirements and that the information contained in the Data is complete or free from errors, and does not assume, and expressly disclaims, any liability to any person(s) including without limitation, Licensee, for any loss or damage caused by errors or omissions in the Data, or delay in the provision of the Data, whether such errors, omissions or delays result from negligence, accident or any other cause (excluding Licensor’s gross negligence or wilful misconduct). TO THE MAXIMUM EXTEND PERMITTED BY LAW, LICENSOR EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY
END USER LICENSE AGREEMENT

IMPLIED WARRANTIES OF MERCHANTABILITY, SUITABILITY, USABILITY OR FITNESS FOR A PARTICULAR PURPOSE, CONDITION, QUALITY, TITLE OR NON-INFRINGEMENT OF THIRD PARTY RIGHTS. This limited warranty gives Licensee specific legal rights. Licensee may have others, which vary from jurisdiction to jurisdiction.

11. Limitation of Liability. Notwithstanding any other provision of this Agreement, in the event of any defect in the Data, any breach of this Agreement by Licensor or any other claim brought by Licensee or any third party, whether based upon contract, warranty, tort (including negligence), strict liability or otherwise, Licensor’s total aggregate cumulative liability and Licensee’s exclusive remedy shall be limited to, and shall not exceed, the License Fees paid by Licensee under this Agreement during the twelve (12) month period immediately preceding the claim. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL LICENSOR BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES WHATSOEVER, OR ANY DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION OR LOSS OF BUSINESS INFORMATION, ARISING FROM ANY USE OR INABILITY TO USE THE DATA BY THE LICENSOR, OR ANY BREACH OF THIS AGREEMENT, WHETHER SUCH DAMAGES ARISE FROM CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, EXCEPT TO THE EXTENT CAUSED BY LICENSOR’S GROSS NEGLIGENCE OR WILFUL MISCONDUCT.

12. Indemnification. Licensee hereby agrees to indemnify and hold harmless Licensor and its officers, employees, agents and servants from and against any and all claims, demands, actions, causes of action, judgments, costs, attorneys’ fees, expenses and liability of any kind or nature which they may incur, suffer or be required to pay which may result, directly or indirectly, from any use (including without limitation reliance) or misuse of the Data, or any breach of this Agreement, by Licensee, its employees, consultants, sub-contractors, agents or clients, except to the extent caused by Licensor’s gross negligence or wilful misconduct.

13. Basis of Bargain. The Warranty, Limitation of Liability and Indemnification provisions set forth above are fundamental elements of the basis of the agreement between the Licensor and the Licensee. Licensor would not be able to provide the Data on an economic basis without such terms and limitations.

14. Governing Law, Jurisdiction and Venue. This Agreement shall be construed in accordance with and governed by the laws of the province of Québec, Canada, and the applicable laws of Canada, notwithstanding any conflict of law provisions. The Licensee hereby consents to the exclusive jurisdiction and venue of the Provincial courts sitting in the city of Montreal, Quebec or the federal courts in the Province of Quebec to resolve any disputes arising under this Agreement. In each case, this Agreement shall be construed and enforced without regard to the United Nations Convention on the International Sale of Goods.

15. Assignment. The Licensee shall not assign or transfer, or permit the assignment or transfer, of this Agreement, in whole or in part, without the prior written consent of Licensor, which may be unreasonably withheld.

16. Severability. If any provision of this Agreement shall be held invalid, illegal or unenforceable, only such provision shall be ineffective or amended only to the extent required to make same comply with
applicable law or legislation, and the validity of the remaining portions or provisions of the Agreement shall not be affected thereby.

17. **Entire Agreement**. This Agreement contains the complete agreement between the parties with respect to the subject matter hereof, and supersedes all prior or contemporaneous agreements or understandings, whether oral or written. The Licensee agrees that any varying or additional terms contained in any purchase order or other written notification or document issued in relation to the Data licensed hereunder shall be of no effect.

18. **Waiver**. The failure by Licensor at any time to require performance by Licensee of any of its obligations shall not affect Licensor’s rights to require such performance at any time thereafter. A waiver by Licensor of a breach or specific delay shall not be taken or held to be a waiver of any subsequent breach or delay.

19. **Amendment**. Licensor may add, remove, amend or make other changes to the terms and conditions of this Agreement from time to time. When such changes are made, Licensor will make the revised version of this Agreement available on the IATA Online Store and Licensee will be notified of such revised version by email. Licensee’s continued use of the Data following such notification will be deemed to constitute acceptance of the revised Agreement (including any changes contained therein).

20. **Survival**. Any terms and conditions of this Agreement which by their nature extend beyond the term or expiry of this Agreement shall survive the termination or expiry of this Agreement, including without limitation, Section 1 (Grant of License), Section 4 (Intellectual Property Rights), Section 7 (Consequences of Termination), Section 10 (Disclaimer of Warranty), Section 11 (Limitation of Liability), Section 12 (Indemnification) and Section 14 (Governing Law, Jurisdiction and Venue).

21. **Force Majeure**. The performance of this Agreement by Licensor is subject to circumstances beyond Licensor’s reasonable control including, but not limited to, acts of God, war, government regulations, disaster, disease, epidemics, quarantine restrictions, terrorist actions, strikes, civil disorders, curtailment of transportation facilities or other emergencies, making it impractical, inadvisable, illegal or impossible for Licensor to perform its obligations under this Agreement. In these circumstances, this Agreement may be terminated immediately by Licensor without penalty by written notice.

22. **Trademarks**. “IATA” and other trademarks related to the Data are trademarks and/or registered trademarks of IATA in Canada and/or other countries. Third party trademarks, trade names, product names and logos may be trademarks or registered trademarks of their respective owners. The Licensee may not remove or alter any trademarks, trade names, product names, logos, copyrights or other proprietary notices, legends, symbols or labels in the Software. Nothing in this Agreement permits the Licensee to use IATA’s and its licensors’ respective trade names or trademarks.

23. **Third Party Software**. The Data may contain third party software which requires notices and/or additional terms and conditions. Such required third party software notices and/or additional terms and conditions may be obtained by submitting a request to bis@iata.org and are made a part of, and incorporated by reference into, this Agreement. By accepting this Agreement, you are also accepting such additional terms and conditions, if any, set forth therein.
