

IATA

CO₂ Data Workshop

Miami, Florida, USA

23 September 2024

AGENDA

CO₂ Connect

CO2 Data Workshop

Airlines & Registered invitees (1pm - 5pm)

- 12:30pm** **REGISTRATION**
- 13:00pm** **Welcome & Opening**
Oracio Marquez, Regional Director for External Affairs and Sustainability, IATA
- 13:05pm** **The challenges with increased CO2 transparency**
This session will debate the conflicting situation whereby passengers are demanding transparency but when airlines do that, they risk coming under fire.
Panel discussion with Philip See, Malaysia Airlines; Rosa Nordfeldt, Air Europa, Sarah Chou, Southwest Airlines; facilitated by Nico Jammes, IATA.
- 13:25pm** **Regulatory update around CO2 Data**
Pedro de la Fuente, Senior Manager External Affairs & Sustainability
- 13:35pm** **Green Claims & CO2 Data**
Bart J. Banino, Condon & Forsyth LLP
- 13:55pm** **CO2 data ownership and airline representation**
Who should own or have responsibility in representing CO2 emissions from airlines? Workshop providing practical examples of how airlines are having their CO2 emissions calculated and discussing options to getting involved, and risks to not taking action.
Hosted by IATA, with Nathalie Matellini, Senior Product Manager CO2 Data Solutions, Ismar Sabanovic, Manager Sustainability Programs; Jenniina Ylonen, Manager CO2 Data Solutions.
- 14:15pm** **Methodology agnostic solutions: Customer focused or Consistency blockers?**
This session will explore the balance between adopting diverse methodologies to enhance a customer-centric approach and achieving consistency in CO2 calculations.
Panel discussion with Andrea Schoen, Smart Freight Centre, Olivier Girault, Amadeus, Tan Strehler-Weston, Thrust Carbon, Aga Kwolek, South Pole. Facilitated by: Xin Jiang, IATA
- 14:35pm** **Q&A: Air transport priorities around CO2 Data**
Xin Jiang, Head Aircraft, Environment and Operations Data, IATA
- 14:50pm** **How Microsoft uses air transport CO2 data as part of their Net Zero strategy**
Nico De Golia, Director of Sustainable Logistics, Microsoft
- COFFEE BREAK**
- 15:20pm** **How SkyTeam collaborates to provide consistency and transparency**
Paul Zissermann, Director Sustainability, SkyTeam
- 15:35pm** **IATA roadmap for CO2 Data calculations**
Nathalie Matellini, Senior Product Manager CO2 Data Solutions, IATA, PLUS special update with Andrea Schoen, Smart Freight Centre.

CO2 Data Workshop
