➤ **Reminder: User activations and password resets**

In order to comply with recommended security best practices, User account reactivations and password resets are no longer processed by the SIS Helpdesk / SIS Operations teams but are redirected to the active Super Users of your organization.

To be able to reset your own password, please follow the steps described [here](#).

If you require access to manage other users from your company (activate/reactivate accounts reset passwords and manage permissions) please contact your SIS Super User for assistance.

➤ **2017 IS Calendar**

The 2017 IS Calendar is now available for download from IS-WEB under Reports tab.

➤ **2017 Revenue Accounting Manual**

The 2017 edition of the Revenue Accounting Manual (RAM) is available for pre-sale and it is expected to be ready for delivery mid December 2016. In addition to the regular RAM application, you can also download the IATA-Reader version of the RAM publication which will allow you to link directly into other IATA publications (such as the Passenger Services Conference Resolutions Manual) that you have purchased, from a single platform.

Please visit the [IATA-Revenue Accounting Manual \(RAM\) website](#) for more information on the 2017 RAM, and please visit [this page](#) for more information about the IATA Reader.
