

## 1 INSTALLING the App

Download the **TestFlight App** from the App Store.

Access the **TestFlight App** to install the **IATA Travel Pass App** and allow notifications.

## 2 USING the App

Watch the **videos** on **IATA's webpage** to learn how to use the **IATA Travel Pass App**.

[iata.org/travelpass-sg](https://iata.org/travelpass-sg)

## 3 BOOKING your Pre-Departure Test

Book an appointment with **participating Fullerton clinics** in Singapore via the **Collinson Web Portal**.

<https://apac.collinsonassistance.com>

### Do note:

1. Test must be taken within three days prior to departure.
2. If you are travelling with children below 13 years of age, please email [wirdah.rajab@fullertonhealth.com](mailto:wirdah.rajab@fullertonhealth.com) directly to book your PCR test.

## 4 VISITING the Clinic

Bring your **passport** and **mobile phone** with the **IATA Travel Pass App** to the clinic.

Inform the clinic staff that you are participating in the **IATA Travel Pass Pilot** and show the App.

The clinic staff will guide you through the registration process.

## 5 VIEWING your Test Results

Once your test results are available, you can view it on both the **IATA Travel Pass App** and the **Collinson Web Portal**.

Please **print a copy of your Covid-19 test results** from the **Collinson Web Portal** before heading to the airport.

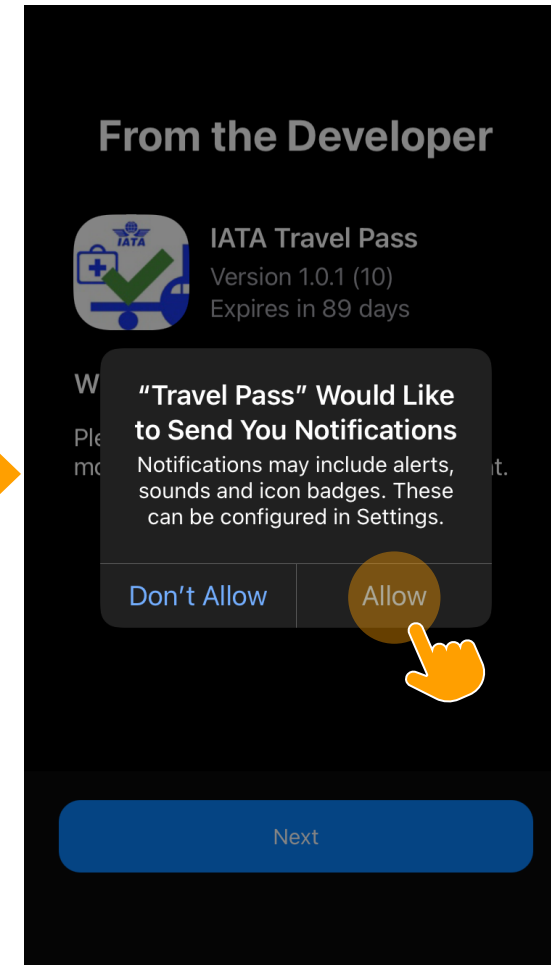

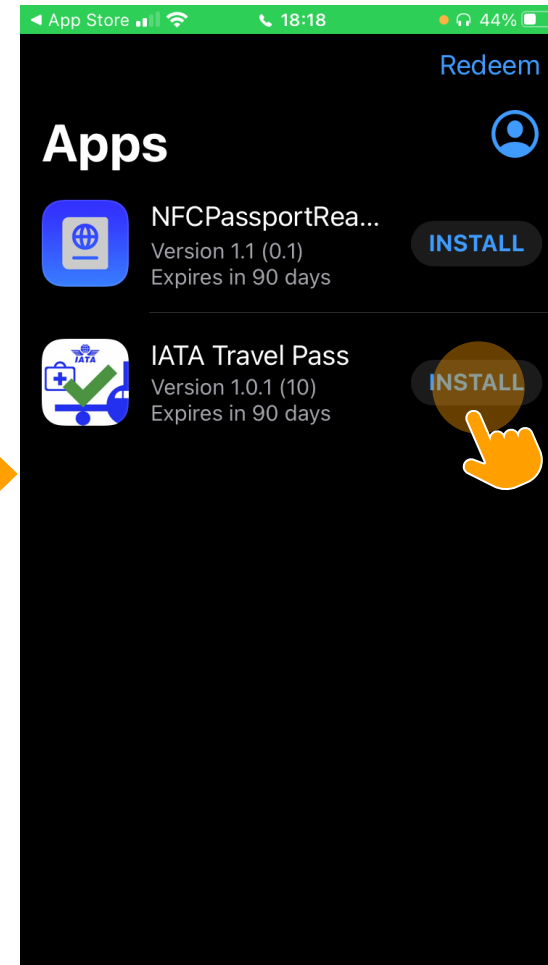

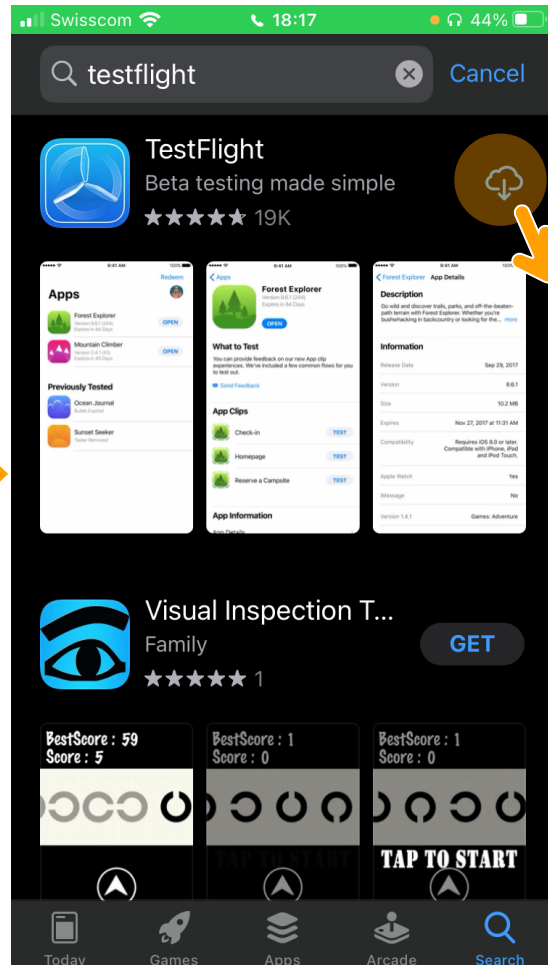

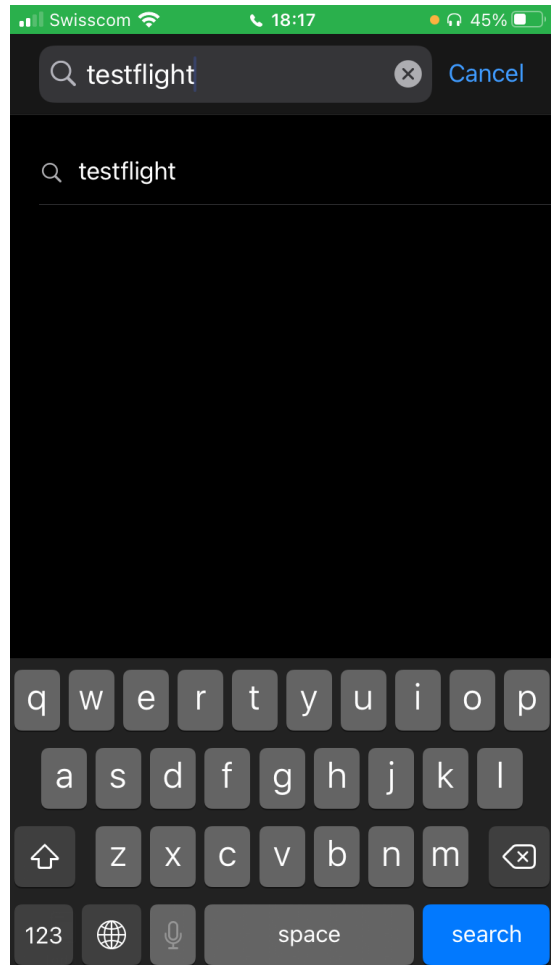

## 6 ARRIVING at the Airport

Show the **IATA Travel Pass App** to our staff at check-in.

Bring the **printed copy of your Covid-19 test results** when you travel as it may be required by immigration officials.

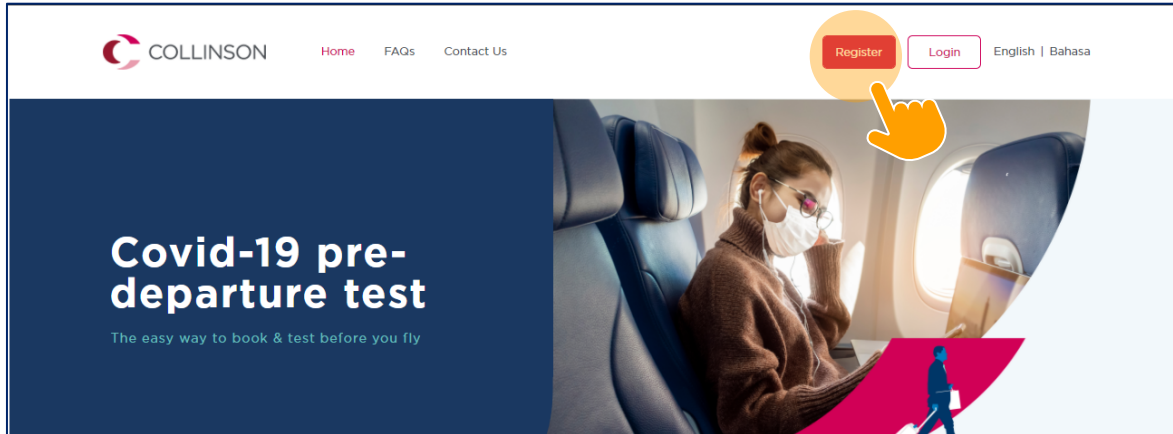

# How to install the IATA Travel Pass App?

- 1 Search for the **TestFlight** App in the App Store.
- 2 Download the App onto your mobile phone.
- 3 Open the **TestFlight** App and install the **IATA Travel Pass** App.
