Steps to apply for an e-visa

All participants, including speakers and attendees from countries requiring a visa must contact the Vietnamese Embassy or Consulate in their respective countries for Vietnam visa procedures.

• You can apply for **e-visa ONLINE** by accessing [this link](#). Kindly note that the e-visa system of Vietnam operates at a slower pace, and you may encounter challenges while attempting to reach Vietnam Immigration for updates or inquiries about your visa application status.

• If you prefer not to apply for an e-visa or encounter difficulties in doing so, you can contact a travel agency that offers authorized visa services. The agency will manage the document submission to Vietnam's Immigration Department on your behalf. We recommend utilizing Vietnam Events, a local agency we are working with to process the visas of IATA staff. For further details, contact Jackie.Han@vietnamevents.com.

Keep in mind that the **deadline for e-visa applications is 45 days before the arrival date. Failure to meet this deadline may result in delayed visa approval.**

Visa rates set by Vietnam Immigration:

• European countries: $40
• USA: $40
• India: $80
• Middle East: $120
• African countries: $120
• Other Asian countries: $40.
