Asia Pacific	India	Trivandrum	TRV	2	Yes	
Asia Pacific	Indonesia	Jakarta	CGK	2	Yes	<p>Close alignment with the Worldwide Airport Slot Board (WASB) recommendation for slot use relief measures for NW21 for international flights on the principle of reciprocity. Since CGK is designated as Level 2, we recommend contacting the facilitator, IASM, for more information. Our understanding of the relief measure are included below. International flights:</p> <ol style="list-style-type: none"> 1. Full series relief is provided for slot series returned before 3 October 2021. 2. Full or part slot series not returned by 3 October 2021, are subject to a 50/50 slot use threshold. 3. Slot cancellations are required at least four weeks in advance of operation. 4. Returned slots are allocated on a non-historic basis, but the operating carrier will receive priority allocation status in the next equivalent scheduling period. 5. Slot relief is provided on a reciprocal basis.

Asia Pacific	Republic of Maldives	Male	MLE	2	Yes	<p>Conditional waiver for NW21 (for COVID-19):</p> <ol style="list-style-type: none"> 1. The waiver does not apply to slots newly allocated for the W21 season. New slots will be allocated on a non-historic basis. 2. Only the slots; which were granted historic rights from Winter 2019 and were reallocated for Winter 2021, will be granted a waiver from non-use and be eligible to be granted historic rights at the end of the Winter 2021 season. 3. Airline operators will not gain any historical rights to newly allocated slots that they use during the W21 season as this season has been waived. 4. Commercial cancellations must be made at least 4 weeks prior to planned operation of the flight to be eligible for the waiver. 5. SMA/SCR cancellation messages must include Supplementary Information (SI) that the release is due to low demand caused by COVID-19, to be eligible for the waiver. 6. The waiver will not be applied to airlines that permanently terminate their operations during the Winter 2021 season. 7. In case of conflict (due to decrease in capacity), priority will be given to an airline that operated flights during the season over an airline that did not operate flights. 8. Slots not cancelled before the scheduled date of operation will not be considered for alleviation. 9. The waiver should require airlines to hand back approved schedules/slots they will not utilize but return them to the coordinator at the earliest opportunity for relocation.

North Asia	Chinese Taipei	Kaohsiung	KHH	2	Yes	Airport Coordination Taipei follows the Worldwide Airport Slot Board (WASB) recommendation for Northern Winter 2021 conditionally on the principle of reciprocity : 1. Waiver applies to slots which were granted historic rights from W20 and reallocated for W21. 2. Airlines' appeals on the basis of "JNUS" will only be considered if evidence related to new/further tightening of restrictions after HBD +7 are provided. 3. ACT reserves the right to cancel above condition (1) and waiver if the Slot Coordinator in countries where TPE based airlines operate exercise its discretion differently. In such case the decision will be made on reciprocal basis.
