

IATA WORLD CARGO SYMPOSIUM

Dubai, UAE
15 – 17 April 2025

CARGO SOLUTIONS WORKSHOP AGENDA

Host Partner

 dnata

Host Airline

 Emirates
SkyCargo

 IATA

- 14:00 – 14:05** **Opening Remarks**
- 14:05 – 14:25** **BUSINESS INTELLIGENCE 4 CARGO:**
How does the right market intelligence drive success? For over 20 years, the air cargo industry has relied on accurate and comprehensive market intelligence such as IATA CargoS to drive success. This session will demonstrate how the right air cargo data can transform your business, maximise your bottom line, and lead to significant growth and efficiency..
- 14:25 – 14:40** **FUEL EFFICIENCY INTELLIGENCE SOLUTIONS 4 CARGO:**
This session will delve into the growing significance of fuel efficiency in the aviation industry and provide you with an exclusive look demo on how IATA's latest data innovations can support significant improvements in fuel efficiency.
- 14:40 – 15:15** **DIGITAL 4 CARGO:**
This session is designed to provide participants with the latest trends, technologies, and strategies shaping the air cargo industry, including real-world examples of successful digital cargo implementations. Explore the game-changing impact of IATA digital solutions, such as DG AutoCheck, on cargo safety, compliance, and the acceptance process digitalization. Learn about the Connect API, which automates the transfer of DG data from DG AutoCheck to NOTOC systems, and the new DG Digital enhancement that enables the creation of electronic Dangerous Goods Declarations (eDGD).
- 15:15 – 15:35** **LIVE ANIMALS "LAR VERIFY":**
To improve the live animal transportation experience, IATA is developing an automated solution "LAR VERIFY" with a vision to continue the development of IATA AUTOCHECK concepts. IATA LAR VERIFY will ensure timely & prompt availability of the latest information corresponding to live animal shipments. A user-friendly and interactive portal will be available to access the up-to-date information. Through the use of real-time APIs, transport logistics and cargo management systems can integrate LAR VERIFY functionality and consume its data.
- 15:35 - 16:00** **Networking Break - WCS Exhibition Hall**

- 16:00 – 16:20** **COMPLIANCE 4 CARGO:**
Innovate, Elevate, and Accelerate your Compliance programs. In this session, we will explore **the latest market trends and learn how IATA Compliance Solutions** can provide your organizations with unparalleled value, support your operations, and connect with your internal compliance programs.
- 16:20 – 16:25** **SCHEDULE DATA EXCHANGE PROGRAM 4 CARGO:**
Discover how the IATA Schedule Data Exchange Program can facilitate comprehensive capacity analysis, providing cargo airlines with visibility into available cargo space across various aircraft types and routes, so that they can optimize the use of both dedicated freighter flights and the belly capacity of passenger flights.
- 16:25 – 16:35** **FINANCE 4 CARGO, Beyond CASSLink:**
Air Cargo Community Billing. Discover new insights on how IATA supports billing solutions with the evolution of Air Cargo. This session will present new payment solution (IATA FlexPay), Tax Compliance Invoicing and the benefits of increased standardization through e-invoicing capability.
- 16:35 - 16:55** **TRAINING 4 CARGO & DGR:**
Learn about the latest training trends in regulated and non-regulated cargo training. And how the right trainings and methodology can serve your organization. Familiarize with the ongoing evolution of Competency Based Training & Assessment (CBTA) in Dangerous Goods Training. Find out the new training solutions including long-term professional development such as diploma programs for upskilling your teams. And learn about the Future Air Cargo Executive program (FACE).
- 16:55 – 17:20** **SUSTAINABILITY 4 CARGO:**
There are increasing expectations for the logistics and air transport sector to be transparent about its environmental impacts, with the display and reporting of CO2 emissions being more prominent. The workshop will discuss the importance of accurate data to represent air cargo, the importance of consistency and transparency, and how data can be applied to future use cases to support your sustainability journey.
- 17:20 – 17:30** **Closing Remarks**
- 17:30 – 20:00** **WCS 2025 Welcome Reception – WCS Exhibition Hall**
Open to WCS registered badge holders only
