

Wednesday 13 October | Stream 2 | Sustainability

**WICKLOW LEVEL 2**

9:00 – 9:10	<p><b>Welcome &amp; Opening remarks</b>  <b>Steve Townes</b>, CEO, ACL Airshop</p>
9:10 – 9:25	<p><b>Keynote: Sustainability is no longer an option</b>            After the pandemic, sustainability will be the next big thing for society as well as for air cargo. Together with the air cargo industry, TIACA works in tackling this topic. What exactly do we mean when we talk about sustainability? What can we do as an individual or a company?  <b>Steven Polmans</b>, Chairman, TIACA</p>
9:25 – 09:50	<p><b>Meeting new sustainability demands post-COVID</b>            The global pandemic created social awareness about air cargo and its impacts on sustainability. Discover how perceptions are changing and what are the main shipper and consumer concerns regarding air cargo.  <b>Frédéric Chapelle</b>, Partner, PwC</p>
09:50-10:20	<p><b>Starting or accelerating your sustainable transformation</b>            Undertaking a sustainability transformation is an imperative for each company within the air cargo industry. This How To session will explore concrete steps to respond to sustainability imperatives, move from talks to actions and build a sustainability culture.  <b>Céline Hourcade</b>, Managing Director, Change Horizon</p>
10:20 – 11:20	<p><b>Networking Break – WCS Exhibition Hall</b></p>
11:20 – 11:35	<p><b>Air cargo's impact for a sustainable world</b>            Measuring environmental performance is becoming a must have for the industry. How can we measure and decrease our climate impact, and communicate our efforts to our customers? What are the biggest pain points for the air cargo industry?  <b>Joachim von Winning</b>, Executive Director, Air Cargo Community Frankfurt</p>
11:35 – 12:30	<p><b>Panel discussion: Industry solutions</b>  <b>Moderator: Joachim von Winning</b>, Executive Director, Air Cargo Community Frankfurt  <b>Christian Bergfelder</b>, Senior Director Network Airside &amp; Airport Affairs, DHL Express Europe  <b>Didier Aujouannet</b>, Senior Air Freight Business Developer, Aeroports de Paris (Group ADP)  <b>Thierry Giboulot</b>, VP Health Safety Security Environment, EMEAA, WFS</p>
12:30 – 14:00	<p><b>Networking Lunch – WCS Exhibition Hall</b></p>
