149th IATA SLOT CONFERENCE
Rome, Italy
16-19 November 2021
HYBRID EVENT

SC149 Conference Notice

In line with other IATA conferences, we are modernizing how we provide information to our delegates. Information contained within the traditional Convening Memo and Memorandum have been moved to our website.

Conference Highlights

We have several exciting sessions planned for the 149th Slot Conference, please have a look at the Program Highlights and the Program tab on the event website for more information!

Head Delegate (HOD) Meetings

The HOD meetings will continue to be livestreamed through our virtual conference platform, inviting participation from all attendees. Due to room capacity restrictions at the hotel however, the **in-person** HOD meetings will be limited to Head Delegates only. Recordings of the sessions will be available for playback from our video on demand section shortly afterwards.

Heads of Delegation Airline meeting (HOD-A)   Tue 16 Nov   12:00 – 13:00

Heads of Delegation meeting (HOD-M Airlines & Coordinators)   Thu 18 Nov   12:00 – 13:00

Documentation

Important information and documentation for the Slot Conference are published on our website as follows:

- Important Notes for Slot Conference Delegates – contains advice for airlines and coordinators using the coordination process, competition law guidance and the working arrangements at the conference.

- Work room locations and floor plans – includes locations for registration, workrooms, prayer room and floor plans.

- How to get the most out of attending the conference

- Optimizing your Wi-Fi experience – includes important information regarding testing your electronic devices prior to travelling and methods to maximize your Wi-Fi connection speed at the conference
