# The Market Leader in Air Cargo Management

**37**  
trusted  
global customers

**42K**  
shipments  
transported daily

**17K** tons  
handled  
daily

**85** Mn  
FTK  
managed daily

Digital processes for  
commercial and  
operational excellence  
and sustainability

Platform solution that  
enables seamless  
collaboration with  
customers, partners  
and suppliers

High availability  
SaaS solution for  
unmatched  
performance and  
reliability

Largest community of  
cargo airlines & GHA's  
collaborating and  
co-creating value
