WEBINAR 2
Global distribution and the flow of vaccines throughout the supply chain

Tuesday 24 November 2020 2:00pm to 4:00pm (CEST)

14:00 – 14:10 Welcome Address
Andrea GRUBER, Head Special Cargo, IATA

14:10 – 14:30 Insight into UNICEF’s work with manufacturers and partners on the procurement of vaccine doses as well as freight and logistics of COVID-19 vaccines for 92 low- and lower middle-income countries, whose vaccine purchases will be supported through the COVAX Facility. As UNICEF’s preparations develop, what will be the key aspects of COVAX work and the logistical implications for the airfreight industry?
Mounir Bouazar, Emergency Logistics Manager & Logistics Lead COVAX Preparedness, UNICEF

14:30 – 14:50 What do we need to address as a global community for successful COVID-19 vaccine deployment? Lessons learned by vaccine manufacturers from both routine and emergency scenarios
Leena Scaria, Global Vaccine Public Policy, MERCK

14:50 – 15:10 Showcasing the collaborative efforts initiated in the crisis, how logistical constraints impacting global connectivity are being addressed and lessons learned
Patricia Cole, Global Head of Temperature Management Solutions, DHL Global Forwarding (DGF)

15:10 – 15:30 Opportunities in a Time of Crisis – An Airline Perspective
Kirsten de Bruijn, Senior Vice President Cargo Sales and Network Planning, Qatar Airways

15:30 – 15:50 Operational and Infrastructure Challenges – The Ground Handling Perspective
Rupert Batstone, Vice President Business Support, Swissport

15:50 – 16:00 Wrap-up
Andrea GRUBER, Head Special Cargo, IATA
WEBINAR 3 | To be determined, 2021
Key learnings in the aftermath of the vaccine distribution effort & paving the way for the future
