

Travel and local restrictions during COVID-19

We are closely monitoring travel and local restrictions. As the situation evolves this information will be regularly updated.

Depending on where you are travelling from and your individual circumstances it will determine how you can attend this event. In preparation for those of you intending to travel to this conference, we have provided links to the latest information below. This information is provided as guidance only. Whilst we have tried to ensure the information is accurate and complete, IATA cannot be held responsible for any inaccuracy or omission. We strongly recommend you make your own inquiries.

Getting there – travel requirements to enter the US

Before planning your travel to and from the US, we recommend you visit the IATA webpage for more information on [traveling by air in COVID times](#). IATA's COVID-19 [Travel Regulations map](#) provides users with the latest information for each country and the [IATA Travel Centre](#) gives requirements for individual travel. This simple, free, online check determines the necessary documents that travelers are required to provide to travel (passports, visas, additional travel forms, health documents). We also highly encourage you to check the US specific website for [vaccination and COVID-19 testing requirements to enter](#).

NEW! IMPORTANT UPDATE ABOUT TESTING FOR TRAVEL TO THE US

From 04:01 UTC on Sunday 12th June 2022, passengers boarding flights bound to the US **will no longer require a pre-departure COVID-19 test** or recovery from COVID-19.

Air passengers will still be required to supply a COVID-19 vaccination as below and only **non-US citizens will be required to complete an attestation confirming the information**, they present is true. Please follow this [link](#) for the new attestation. [Please see this link for further information](#)

Passengers entering or transiting through the US, **must have a COVID-19 vaccination certificate** showing that they were fully vaccinated at least 15 days (day of vaccination + 14 days) before arrival. Passenger details (e.g., name and date of birth) in the certificate must match those stated in the passport/travel document.

More information including the recognized vaccinations can be found at: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel-during-covid19.html>

It is your responsibility to ensure you meet the requirements for entry to the US.

Please consider printing and bringing copies/save backups of required travel documentation and certifications required to travel and attend events in the US.

Travel and Health Insurance

It is advisable to ensure adequate travel and health insurance when attending an event to provide you with the necessary cover.

Local restrictions in Seattle

Local COVID measures set by Washington State Department of Health are found [here](#). **It is no longer a requirement**

- [to wear a mask in many indoor public spaces, including the Seattle Convention Centre](#) ¹ however, please respect the right of others to wear a mask.
- to verify vaccinations.
- to maintain social distancing.

For further in depth information on local protocols please visit, [Visit Seattle](#) and the [Seattle Government](#) webpages.

Return travel

Please ensure you consult your return country's government websites for conditions of travel and entry.

If a COVID test is required for your return trip home, you may wish to make an appointment prior to arriving in the US.
