ISC158 Tips & Tricks

The Airline Lounge provides free seating for airlines to power up devices in between appointments (if required) and to take short meetings between airlines. Airlines are encouraged to use the designated **Airline Meeting Point located at the Airline Lounge Entrance, Level 22, Convention Centre A1&2** to meet with their colleagues, then take a table for their meeting.

The Coordinator Room – Level 23, World Ballroom A+B, Coordination organizations are located across two spaces, their locations are allocated alphabetically by country name and their table numbers will be displayed on plasma screens.

The Presentation Room, is situated the Level 22, Lotus suites 1 - 4 where the Head Delegate meetings and other presentation sessions will take place (see Program for further details).

The Exhibition Area, Level 22, Convention Centre B1&2 will host the refreshment breaks (see Program for further details). Explore the area as many food and beverage areas are dotted through the Exhibition.

Registration, is located at Level 22 near the Airline Lounge and the escalators and the **Info Booth at Level 23** at the top of the escalators.

Appointment Strategy

- View floorplans and workroom locations you wish to visit and plan your appointment strategy.
- You may wish to group your appointments that are located within the same area of the conference venue to save yourself time.
- Don't assume all coordinators and airlines are located in the main meeting rooms; some groups take workrooms, and their locations can be found on page 4 of this document.
- **We strongly advise delegates to familiarize themselves with the floorplan when registering onsite on Monday, before the conference starts.**
- Use the floor plans shared to plan and work out your routes to and from your meetings.
- Leave space between your appointments to ensure you won't be late for future appointments.

Kindly note, this information is meant as a quick guide to help familiarize you with the IATA Slot Conference venue floorplans prior to your arrival.

These tips are subject to change and are not meant to replace good judgment. IATA cannot be held responsible for the appointment strategy of ISC delegates.
