Future Air Cargo Executives Program (FACE)
Program Leaders

David Sauv
Manager, Digital Cargo

Patricia Varela
Assistant Manager, Operations Innovation & Change Management
Our mission

Together with the air cargo industry, IATA recognizes that there is an urgent need to invest in people, promote diversity and engage young talent.

The FACE program aims at attracting, retaining and developing a bright pool of individuals under 36, and to foster innovative thinking.

Our objective is to prepare them to become the next generation of leaders of the cargo industry.
FACE priorities

Awareness & Attraction
Retention & Development
Innovation & Creativity
