

Training Classroom access from Terminal 1 Door

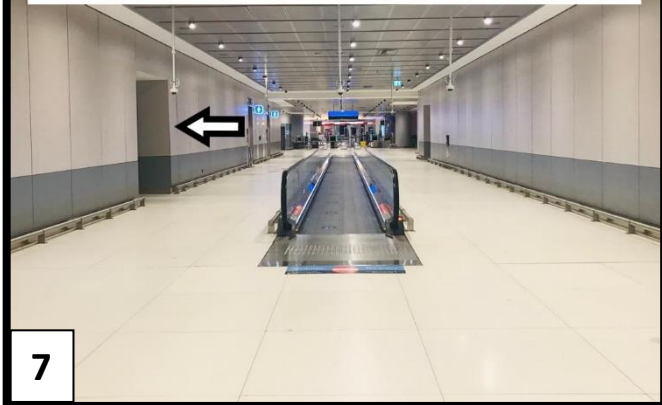

After you meet with the on-site contact at the meeting point, proceed through the International Side Staff Entrance security checkpoint and you will find the elevator next to Vakko Store on the right side of the Bosphorus area.

Go down floor 1 with elevator.

After go down in the lift, use your security cards to access the first door on the left.

After you pass through the door, enter from the **first door** on the right side and you will find the training class at the end of the corridor.
