Please note the following information to TTBS:

Guatemala - Departure Tourism Tax (International) – XC -
=====

The TTBS has been advised by COPA Airlines (CM) that **in light of the current COVID-19 pandemic, the Guatemalan Institute of Tourism (INGUAT) will allow airlines to defer payment of the XC (Departure Tourism Tax (International)) as follows:**

- Payment of XC based on departing passengers by air for the month of April 2020 and where payment to the local authority was due in May 2020 is deferred
- Payment of XC based on departing passengers by air in subsequent months (May and June 2020) and where payment to the local authority is due in the month following transport is also deferred.
- The Guatemalan Tourism Institute has not as yet provided details as to when the XC deferred payments is to be made and on what schedule. This information will be communicated to the market once it becomes available (likely once the pandemic has subsided)

For further information, please find attached the official INGUAT Circular DG-100-2020 (in Spanish only).

All other conditions remain unchanged.

Please note that TTBS will treat this update/change as being applied by all members (except where airline specific amounts already exist), unless advised otherwise in writing. TTBS will then update its system accordingly and disseminate the information to all its Top Premium Daily subscribers. In addition, it is recommended that subscribers advise their interline partners and/or GDS suppliers accordingly.
