Please note the following changes to TTBS:

Bolivia – Sales Tax (International & Domestic) – BO -

=====

The TTBS has been advised by Boliviana de Aviacion (OB) that **in light of the current COVID-19 pandemic, the Bolivian Government will allow airlines to defer payment of the BO (Sales Tax (International and Domestic)) based on the following information:**

- Payment of the BO collected on ticket sales/issuances and due to be paid by the ticketing carrier to the tax authority during the period from February to May 2020 is deferred and can now be paid in July 2020.

For further information, please find attached the official Government Directive on the deferral of the BO (amongst other taxes) (only in Spanish).

All other conditions remain unchanged.

Please note that TTBS will treat this update/change as being applied by all members (except where airline specific amounts already exist), unless advised otherwise in writing. TTBS will then update its system accordingly and disseminate the information to all its Top Premium Daily subscribers. In addition, it is recommended that subscribers advise their interline partners and/or GDS suppliers accordingly.
