Publications

Partners may purchase publications at a preferential rate.

Ms. Iryna Khomenko
Manager, Operational Efficiency
IATA Safety & Flight Operations
khomenkoi@iata.org

This group exchanges information takes appropriate action and plans seminars on the recovery of disabled aircraft. This task is especially important with the increasing size of the airline fleets and the growing congestion at the world's airports. Since every disabled aircraft incident is unique in some aspects, the sharing of experience to improve aircraft recovery techniques is essential.
