

Flight Operations

Designed for:

- Aviation fuels and lubricants suppliers
- Inflight service & product providers
- IT service providers

Areas of Activity:

- Flight Operations Issues
- Aircraft Performance
- Global Meteorological Information

Committees & Working Groups

Flight Operations Group (FOG) - by Invitation only

CONTACT

Mr. Viktor Robeck
Head, Flight Operations Regulatory Affairs, FOPS
robeckv@iata.org

The FOG reports to the Operations Committee and meets twice a year. Membership consists of senior flight operations and air traffic management executives from 10 major international airlines. The

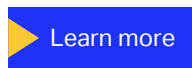

group develops policies, standards and recommendations on all aspects of flight operations (flight crew training, scheduling, CNS, ATM, meteorology, performance), new technology and human factors and it addresses operational matters of strategic importance.

FLIGHT OPERATIONS SUPPORT TASK FORCE (FOSTF)

CONTACT

Mr. Fernando Rodríguez
Project Coordinator, Operations and Infrastructure

rodriguez@iata.org

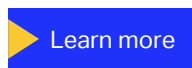

This task force consists of flight operations and meteorological experts from major international airlines. METTF is currently monitoring implementation of the ICAO World Area Forecast System, developing measures to limit the impact of volcanic activity on flight operations, and exploring new technology issues such as meteorological datalink applications.

[AIRCRAFT PERFORMANCE TASK FORCE \(APTF\) - by Invitation only](#)

CONTACT

Mr. John Synnott
Manager, Flight Operations IT
synnott@iata.org

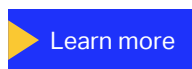

This task force meets annually and deals with all aspects of aircraft performance. APTF's work includes proposed government regulations; information provided by or required from the manufacturers, runway and airport issues including digitized performance and obstacle data.

[STANDARD COMPUTERISED AIRPLANE PERFORMANCE TASK FORCE \(SCAPTF\) - by Invitation only](#)

CONTACT

Mr. John Synnott
Manager, Flight Operations IT
synnott@iata.org

This task force works to standardize and optimize the interface between the aircraft manufacturers' performance software and the airlines' computerized performance programs. The result is published as performance data specifications.

Additional Strategic Partnership benefits

Branding

- Recognition as a valuable supporter of IATA and the air transport industry
- Inclusion in the IATA Strategic Partnerships online directory
- Exclusive usage of the IATA Strategic Partnerships logo
- Promotion through the electronic quarterly Strategic Partner Newsletter, viewed by thousands of aviation industry contacts
- Monthly posting of Strategic Partners' press releases on the IATA website

IATA Clearing House Discount

Strategic Partners receive a substantial discount upon joining the IATA Clearing House:

The IATA Clearing House (ICH) provides the means to settle all the billed items sent to and from airlines around the world. Used by more than 400 airlines either directly or via special links, the ICH settles around US\$ 50 billion of interline billings every year. Its efficiency is so great that airline cash and settlement requirements are reduced by around 75%, and risks for all participants are minimized.

Publications

Partners may purchase publications at a preferential rate.

Courses

Strategic Partners may attend, at a reduced fee, IATA training courses.

Strategic Partners may receive 55% discount on the first 2 seats per year to any IATA classroom course (subject to availability).
