Over 150 connections !

A screenshot of the IATA NDC Matchmaker website. The page features the IATA logo at the top left, navigation menus for 'ABOUT US', 'CAREERS', and 'CONTACT & SUPPORT', and a search bar. The main content area is titled 'NDC Matchmaker' and includes a description of the tool, a search bar, and a 'Browse by' section with filters for 'Players', 'Product & Services', and 'Location'. Under 'Players', there are three categories: 'Airlines (22)', 'Sellers (19)', and 'Aggregators (23)'. A sidebar on the right contains a 'Need Help?' section with a 'Contact us' button, a 'Create an account' button, and a 'Log in here' button. Below that, there are links for 'User guide for Airlines', 'User guide for Sellers', and 'User guide for Aggregators'. The 'Latest updates' section shows a recent update from 'Aegean Airlines' and 'NEMO CONNECT SOLUTIONS'.
