Airlines Go Wilder!
Elephant

Over 5,000 kilos of ivory tusks were seized at airports in 2016 & is equivalent to two tona elephants a day (IUCN).

Rhino

Over 1,942 rhinos horn were seized at airports on March 2017 alone!—this is at least 60 rhinos killed (IUCN).

Hawksbill Turtles

There are less than 750 left in the world (IUCN).

Mountain Gorilla

Would you go on safari if there were no lions, elephants or rhinos left to see?

Would you explore a rainforest if you couldn’t hear any wildlife?

Would you dive on a coral reef if it had no tropical fish or turtles?

Would you explore a rainforest if you couldn’t hear any wildlife?

Would tourists still fly to these destinations if these species no longer existed?

1. Show your commitment
Sign the United for Wildlife Buckingham Palace Declaration.

2. Raise awareness
Share videos and other resources with your staff, passengers, customers and clients.

3. Encourage reporting
Train your staff to identify, detect and report suspicious passengers, baggage and cargo consignments to authorities.

4. Join the fight
Participate in global and industry initiatives and engage with other stakeholders.
