

CONFERENCE BROCHURE

- ✓ Gen AI – Risks and opportunities for airline Internal Audit functions
- ✓ Cybersecurity – 2024 and beyond – Risks and trends
- ✓ The art of the communication – Audit reporting
- ✓ Sustainability challenges for the airline industry
- ✓ Global airline sector – Update and outlook
- ✓ How the new IIA standards impact airline internal audit
- ✓ Case studies – Learn from your airline colleagues

Hosted by KLM Internal Audit

Amsterdam is the capital of The Netherlands. The city is built around a network of canals and is known for its lively atmosphere and interesting architectural style.

Van der Valk Amsterdam Amstel

Joan Muyskenweg 20
1096 CJ Amsterdam

INTRODUCTION

In October 2024, we continue the airline Internal Audit experience following the Mexico City IAAIA conference in 2023. In Amsterdam, a city with history, culture, character, Heineken and other habits.

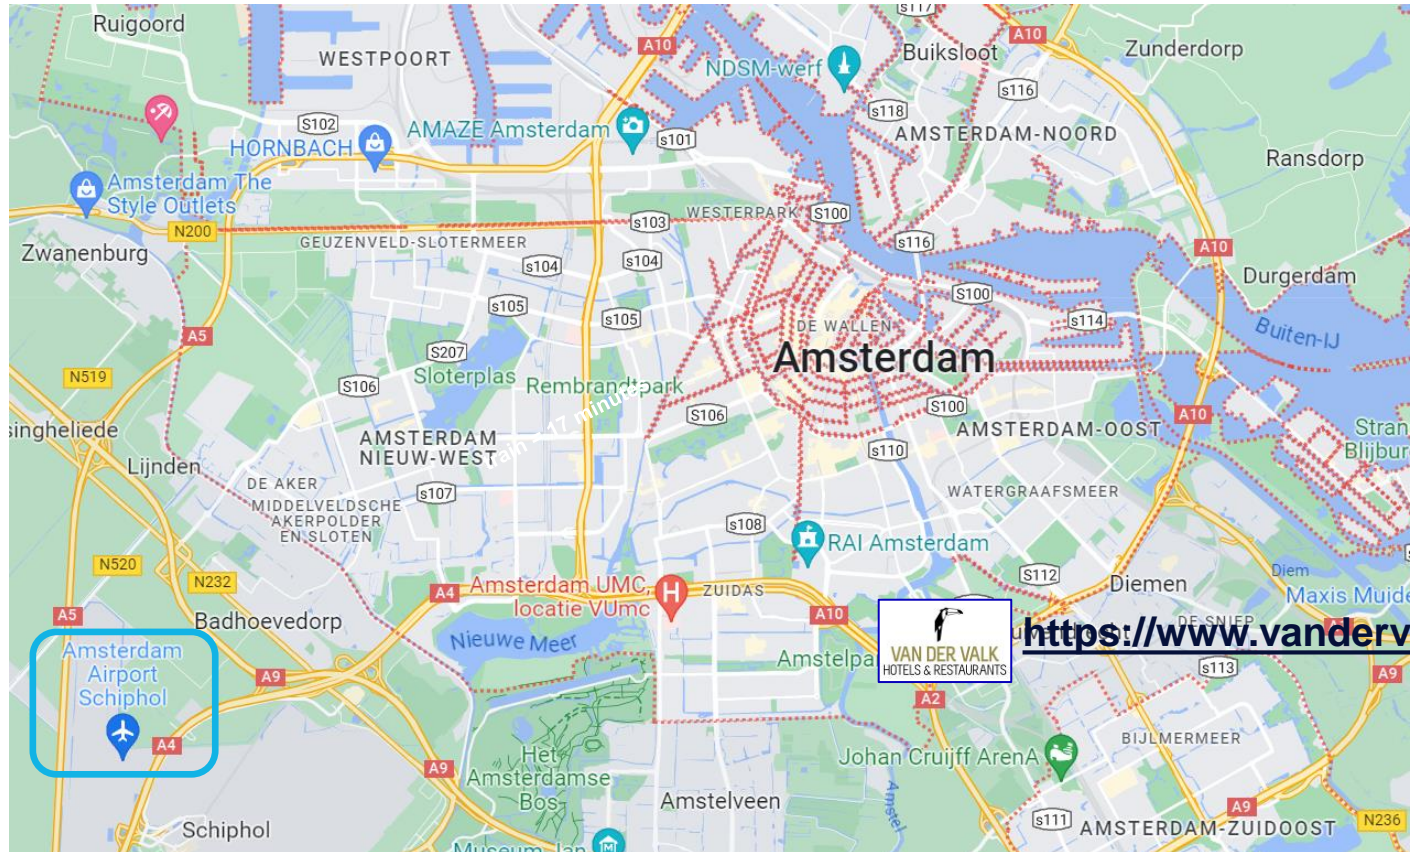

Catch up with your airline Internal Audit colleagues, learn latest Audit content and enjoy the Gala dinner at an iconic location!

And everyone who registers before 30th June 2024 will be entitled to receive an **'early bird'** tariff!

 iaaia2024conference@klm.com

HOTEL & CONFERENCE LOCATION

Van der Valk Amsterdam Amstel is a modern hotel with well designed bedrooms. Gym is available, but small.

Spacious conference rooms, all with day light!

Located on the water near the Amstel river, close to the metro (easy to find), easy access into the vibrant city center.
