Online Accreditation & Registration

In accordance with [10.12.5 of the Worldwide Airport Slot Guidelines \(WASG\)](#) accreditation of Head Delegates and their staff attending the Slot Conference is mandatory. New delegates must be accredited by their Head Delegate using the [Online Accreditation System \(OAS\)](#). For more information, please visit the [OAS help section](#).

Newly accredited delegates will receive an invitation to register for the IATA Slot Conference directly from the registration team ISC@iata.org (within 48 hours of accreditation, Mon – Fri). Please contact the registration team directly if you are accredited and have not yet received your invitation.

Conference registration, hotel reservation, requesting letters in support of visa applications, and payment are all completed in one online registration process. [Please see registration and our website if you require more information](#) on any of these sections.

Invitations to register were sent out directly to all accredited delegates late July 2025. **Delegates registered in the first 6 weeks from the registration start day will be charged a 150 USD registration fee per delegate, reduced from the standard 200 USD registration fee (applicable 23% local taxes will be payable). We kindly encourage you to secure your hotel accommodations at your earliest convenience, as availability is limited. Please note that the first reservation cutoff date is 14 August 2025. Lastly, please make sure you apply for your visa at your earliest convenience to avoid disappointment.**

The IATA Slots team look forward to seeing you in Lisbon!
