The screenshot shows the CheckACode.com website. At the top, there are logos for IATA, IATAN, and CheckACode.com. A left sidebar contains a navigation menu with links: Home, About This Site, Help, Terms of Use, Products & Services, Contact Us, About Us, and Glossary. The second section has one option: 'Validate an IATA issued Numeric Code' (Worldwide), also with a 'Click Here' button. A note below states: 'Note: Validation of Cargo numeric codes not currently available'. At the bottom, a text block says: 'Help us to serve you better.
