Lessons learned from 2022's operational challenges

Sponsored by Securiport

2022 saw severe operational challenges in some key hubs—primarily in North America and Europe. We will examine what was learned to enable airlines and infrastructure providers to always have a realistic and common view of capacity available to meet the demands of travelers and shippers.

- **Juha Järvinen, CCO, Virgin Atlantic**
- **Valerie Hackl, Managing Director, Austrocontrol**
- **Christina Cassotis, CEO, Allegheny County Airport Authority**
- **Paul Griffiths, CEO, Dubai Airports**

Moderator: Richard Quest, Anchor and Correspondent, CNN

Data: the next frontier

Sponsored by Cirium

Data drives business success, but unlocking its potential comes with many challenges. We will examine data's contribution to the bottom line, look at ownership and management of airline data, discuss how to keep data safe from hackers and what to expect next in regulation.

- **Susan Doniz, CIO, The Boeing Company**
- **Juliana Rios, Chief Digital and IT Officer, LATAM**

Moderator: Anna Stewart, Reporter, CNN

Women in the C-Suite: the Chief Commercial Officer (CCO)

CCOs are driving recovery by turning demand into revenue. We'll engage top CCOs for their view on post-pandemic trends in business / leisure travel, how sustainability fits into commercial offerings, and the potential for airline retailing. We'll also discover what they learned as pioneering women climbing the corporate ladder.

- **María Jesús López Solás, Chief Commercial, Network & Alliances Officer, Iberia**
- **Jo-Ann Tan, SVP Marketing Planning, Singapore Airlines**
- **Leanne Geraghty, Chief Customer and Sales Officer, Air New Zealand**
