IATA MULTILATERAL E-AIR WAYBILL AGREEMENT

Article 1—Object and Scope

1.1 This Agreement is intended to permit Freight Forwarder to propose and Carrier(s) to accept and execute contracts for the carriage of cargo shipments by electronic means in lieu of a paper air waybill. Such contracts, defined as Cargo Contracts herein, shall in each case be subject to the Conditions of Contract set forth in IATA Resolution 600i1 which is also included herewith as Annex "A" to this Agreement. Freight Forwarder acknowledges that Freight Forwarder's use of Electronic Communication to effect Cargo Contracts shall constitute its agreement and the agreement of any person for whom it is acting and has authority to act (under Section 3.2) to the Conditions of Contract referenced above as well as to all other provisions of this Agreement. THE ACCEPTANCE OF CARGO TENDERED FOR CARRIAGE PURSUANT TO THIS AGREEMENT SHALL CREATE, UNLESS THE FREIGHT FORWARDER SPECIFICALLY INDICATES (AS REQUIRED BY SECTION 3.2) THAT IT IS ACTING AS AGENT FOR ANOTHER PARTY APPEARING ON THE AIR WAYBILL OR SHIPMENT RECORD AS THE CONTRACTING PARTY (SHIPPER), AND NOTWITHSTANDING ANY CARRIER CONDITION OF CARRIAGE TO THE CONTRARY, A CARGO CONTRACT FOR THAT CARRIAGE BETWEEN THE CARRIER AND THE FREIGHT FORWARDER.

Attachment 'A'

IATA MULTILATERAL E-AIR WAYBILL AGREEMENT

Article 3—Contracting through Electronic Communication

3.2 For shipments to be tendered by the Freight Forwarder as agent of a third party shipper (a "Third Party"), the Freight Forwarder warrants and represents that, prior to entering into such Cargo Contracts, it is authorized by the Third Party to act as its agent for purposes of initiating, processing and concluding Cargo Contracts and acknowledges that the Carrier shall be entitled to rely on this warranty and representation without any obligation to make enquiries as to whether or not such authorization is correct or has been revoked or altered in any way. Furthermore, Freight Forwarder shall receive Cargo Receipts and consents to the use of electronic means in lieu of a paper air waybill on behalf of such Third Party. Freight Forwarder shall ensure that proper identification is included within such Electronic Communication, or by other means as agreed by the Parties, so that Carrier can recognize that the Freight Forwarder is acting as agent of the Third Party for purposes of concluding a Cargo Contract between the Third Party and Carrier.

3.3 Freight Forwarder acknowledges and accepts that it is responsible for the correctness and completeness of the particulars and statements relating to the cargo which Freight Forwarder provides in the Electronic Communication to Carrier(s). Freight Forwarder shall indemnify the Carrier(s) against all damage suffered by it, or by any other person to whom Carrier is liable, by reason of the Freight Forwarder's breach of the warranties and representations set out above and for any irregularity, incorrectness or incompleteness of the particulars and statements set forth in the Electronic Communication furnished by the Freight Forwarder on its own behalf or on a Third Party's behalf.
