PROMOTION TO OVER 32,000 AVIATION PROFESSIONALS
In addition to our existing robust content offering, we are now presenting the opportunity to co-create a sponsored podcast with Airlines.

Sponsored podcasts are a great way to align yourself with the Airlines brand whilst building rapport and brand exposure in the process. They are a creative, flexible and cost-effective way to deliver your content using authentic storytelling rather than a hard sell and to be seen as an authority on a topical area of business interest.

The trust you gain from decision makers within the aviation industry can then lead to your specific objective being met.

The 20 minute podcast is hosted by the editor of Airlines, joined by a sponsor representative, and a relevant speaker(s) from the industry.

There are two packages to choose from when sponsoring an Airlines podcast, both of which utilise the magazine’s various channels for promotion.
