To create a new account, click on the “Create an account” link.

You will be redirected to the registration form below, which comprises three sections:

1) Email validation
2) Contact details
3) Company details

Registration Process
Email Validation

Enter your email address and click on the "Terms and Conditions of Use" link. Tick the Terms and Conditions checkbox to confirm that you have read and accept them.

Two cases can occur:
- The email address is already associated to an existing account
- The email address is not associated to any existing account

The email address is already associated to an existing account

In that case, the following message will appear (see picture below).

Registration Process

This message will appear if:
- You already have access to the NDC Matchmaker Service. In that case, fill your credentials in the login page.
- You have not registered for the NDC Matchmaker Service, but you already have access to 1Id. In that case, fill your credentials in the login page. You will be redirected to the NDC Matchmaker page in 1Id.
- You have already registered for the NDC Matchmaker Service, but your account has not been validated yet. You will be notified by email once your account is validated, which will give you access to the NDC Matchmaker Service.
- You have already registered but your account is not eligible for the service. You can contact the NDC Team for further assistance.

The email address is not associated to any existing account

In that case, by ticking the Terms and Conditions checkbox, you will be able to enter your Contact details.

NDC Relations

Once your profile card is validated, you will need to enter your NDC Relations (i.e. connected partners) in the dedicated section, at the bottom of the page.
Click on "New". Select your partners among the list and click on "Create".

These partners will receive an email notification as soon as you connect to them.

Please note that they will have the option to remove the connection from their Profile Card. In such cases, you will receive an email notification.

You can also easily remove a connection by selecting it and clicking on "Delete". In the latter case, the airline in question will be notified by email.
