

RESOLUTION 848

IATA EASYPAY

- △ PAC1(54)848(except USA) Expiry: Indefinite
PAC2(54)848 Type: B
PAC3(54)848

WHEREAS IATA will pilot the IATA EasyPay payment method in a selected number of BSPs during 2017;

- △ It is RESOLVED that the following provisions are adopted for application in any market where the IATA EasyPay payment method is launched, until superseded by [Resolution 812](#).

1. DEFINITIONS

1.1 “IATA EASYPAY PAYMENT METHOD” (sometimes referred to as “IEP”) means a pay-as-you-go payment system provided by IATA enabling Accredited Agents to issue Electronic Tickets on behalf of BSP Airlines.

1.2 “IATA EASYPAY ACCOUNT” (hereafter referred to as IEP ACCOUNT) means an account opened by the Agent in accordance with the instructions provided by IATA.

1.3 “IATA EASYPAY SYSTEM” (IEP System) means the system operated by a provider on behalf of IATA for the processing of Agents’ remittances and refunds using the IEP Payment Method.

1.4 “IATA EASYPAY NUMBER” (hereafter referred to as IEP NUMBER) means a number generated by the IEP System for use by the Agent for the issuance and processing of Electronic Tickets.

2. ACCEPTANCE

2.1 In each country or area where this Resolution is implemented, all BSP Airlines will accept IEP unless a BSP Airline has notified IATA that it does not wish to accept IEP in a market.

3. IEP ACCOUNT

3.1 In order to use IEP, the Agent must open an IEP Account using the IEP System.

3.2 The Agent may have more than one IEP Account.

3.3 Before the Agent can issue Electronic Tickets using IEP, the Agent must first ensure funds have been made available in the IEP Account.

3.4 Once the Agent has opened an IEP Account and made funds available, the IEP System will generate an IATA EasyPay Number.

3.5 There is no maximum or minimum amount of funds required to be held in an IEP Account.

3.6 The Agent may transfer funds to its IEP Account at any time.

3.7 The Agent may withdraw any available funds in its IEP Account at any time, subject to the terms and conditions applicable to the IEP Account.

3.8 The Agent may close its IEP Account at any time using the IEP System, subject to the terms and conditions applicable to the IEP Account, provided that:

- (a) there are no amounts in the IEP Account which have been blocked in accordance with [section 4.1](#); and
- (b) the Agent has first withdrawn all available funds in the IEP Account.

4. ISSUANCE OF ELECTRONIC TICKETS USING IEP

4.1 If there are sufficient available funds in the Agent’s IEP Account for the issuance of an Electronic Ticket, then:

- (a) that amount will be blocked in the IEP Account pending remittance and will no longer be part of the available funds in the IEP Account;
- (b) the IEP System will provide the GDS with an authorisation to proceed with the transaction; and
- (c) the GDS will issue the Electronic Ticket upon receipt of the authorisation to proceed with the transaction from the IEP System.

4.2 If there are insufficient available funds in the Agent’s IEP Account, the IEP System will reject the transaction.

5. BILLINGS AND REMITTANCE OF MONIES BY AGENTS USING IEP

The Agent using IEP will receive Billings incorporating Accountable Transactions, for which the remittance procedures and other provisions in [Resolution 818g Attachment ‘A’](#) will apply.

□ 6. WAIVER AND INDEMNITY

6.1 The Agent waives any and all claims or causes of action against any BSP Airline or IATA and any of their officers, employees and other appointees for any loss, liability or damage of any kind (including liability for legal cost) arising out of the Agent’s use of IEP, including, without limitation, any loss or deficit in the IATA EasyPay Account opened by the Agent.
