

IATA ECONOMICS' CHART OF THE WEEK

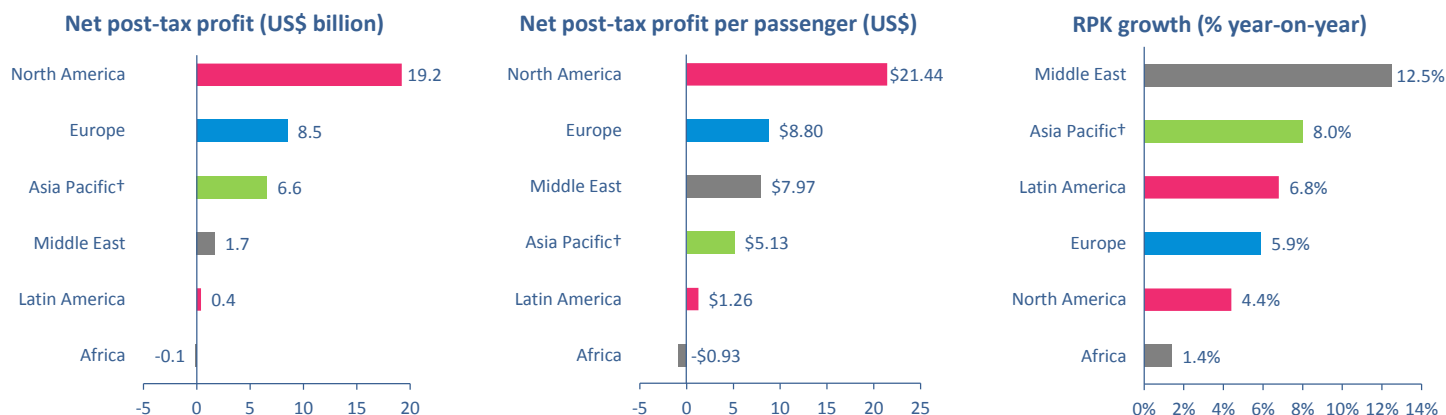

8 JANUARY 2016

HAPPY NEW YEAR! (FOR SOME MORE THAN OTHERS...)

- Our first Chart of the Week in 2016 provides a snapshot of the global & industry outlook for the year ahead. Further details on our latest forecasts can be found [here](#).

IATA Economics' forecasts for 2016*

* Forward-looking industry financial assessments should not be taken as reflecting the performance of individual airlines, which can differ significantly.

† Including North Asia.
