

WORLD CARGO SYMPOSIUM

CEIV Workshop

**Monday 11th March 2019
9:00 – 15:30**

CEIV Workshop Summary:

To guide air transport supply chain stakeholders in raising the bar in the industry by improving the level of competency, operational and technical preparedness in the handling and transport of pharmaceuticals, live animals and perishables. Industry feedback on their experiences with CEIV, discussions on the latest project developments and the way forward.
