

# Stow your wheeled bag safely

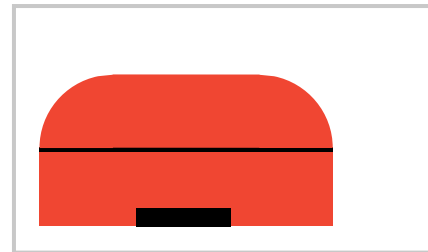

**1** Wheels go in first

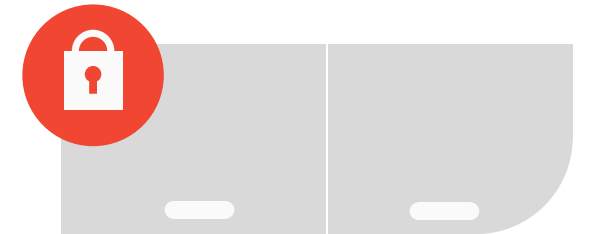

**2** Rest on its side if possible

**3** If not possible, rest on its back

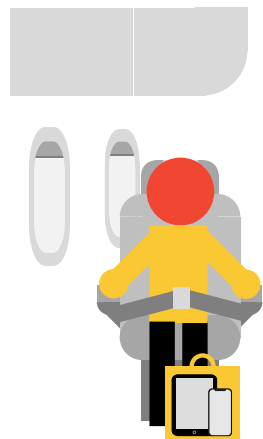

**4** Check the locker closes before taking your seat

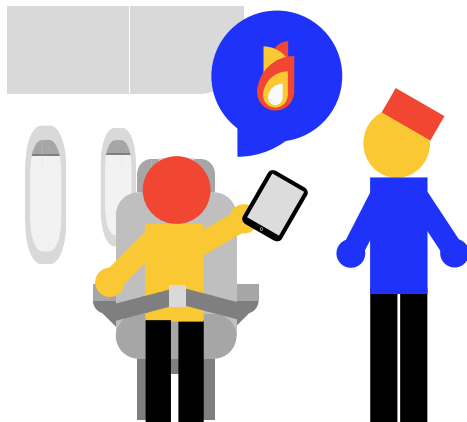

# Keep your electronic devices safe

**1** Keep them near you, i.e. not in your checked baggage

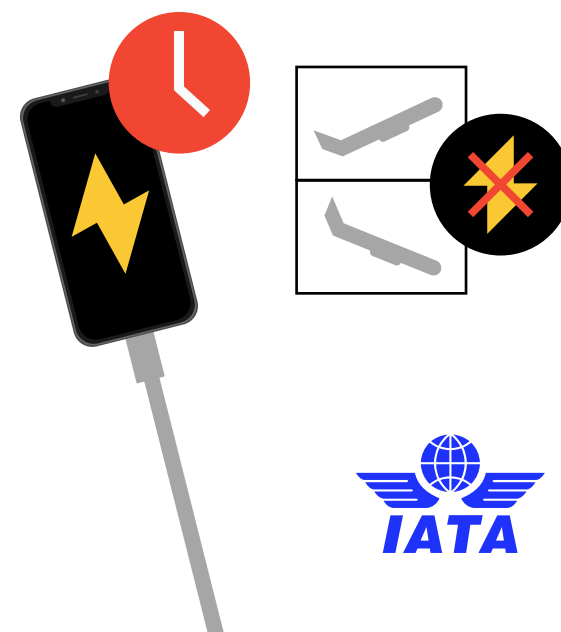

**2** If they become unusually hot, call a cabin crew member immediately

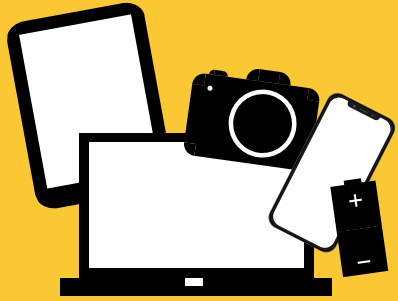

**3** If you drop them into your seat, do not move the seat and call a cabin crew member immediately

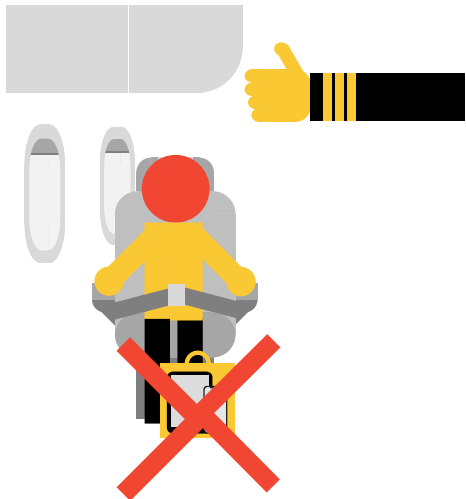

**4** Do not leave to charge unattended. Charging is not usually permitted during take-off and landing

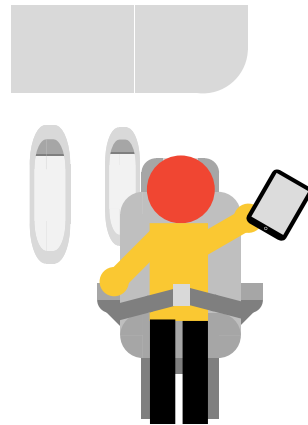

# Use your electronic devices safely

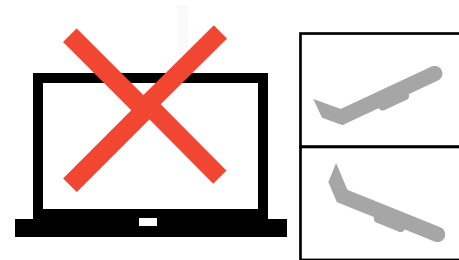

**1** Occasionally the Captain may require that ALL electronic devices are switched off

**2** Small devices, like phones or tablets, can usually be held for taxi take-off and landing.

**3** Larger devices like laptops must be safely put away during taxi take-off and landing.

**4** Always activate Flight Mode before departure.
