

IATA Training | How to Access Your Course Material User Guide

1. Login to your IATA Training account

Log in to the <u>IATA Customer Portal</u> and click on the Training icon in 'Favorite Services' to access your training dashboard, which provides access to all your training activities.

2. My active courses

The '**My active courses**' section lists all up-coming courses you have registered for, and all your on-going courses and exams. From this section you can easily access your course materials for classroom sessions or directly access your e-learning courses.
