INTRODUCTION TO NEW ZEALAND

New Zealand is an island country in the southwestern Pacific Ocean. It consists of two main landmasses—the North Island (Te Ika-a-Māui) and the South Island (Te Waipounamu)—and over 600 smaller islands. The Māori name for New Zealand “Aotearoa” is translated as “land of the long white cloud” which refers to the cloud formations which are believed to have helped early Polynesian navigators find the country.

The month of October is springtime in New Zealand and the North Island offers unforgettable experiences of lively cities with a large helping of culture and history for a truly diverse experience. It is one of the most unique destinations on earth, where scenes of sweeping, verdant landscapes and pristine wilderness abound.

In addition to its endless natural attractions, New Zealand is also known for its rich culture, friendly locals and excellent food and wine. It attracts tourists with stunning landscapes, rich Māori culture, thrilling adventure activities, unique wildlife, world-class food and wine “Lord of the Rings” filming sites and a strong commitment to sustainability.

The flag of New Zealand has the Union Flag of the United Kingdom in the upper left quarter and the Southern Cross on a blue ground. New Zealand's national symbol, the silver fern emblem, appears on army insignia and sporting team uniforms.
