

An education tailored just for you.

On-Demand Examination

Every class is different, which is why we offer our On-Demand Examination program. Now, you can request course exams at a time that best suits your organization.

Our program allows you to schedule exams according to your needs, which means more convenience for you, and faster Certification processing for your students.

Do you want to schedule an On-Demand Examination? Simply fill out the Contact Us form to ask for a quote.

Delivery method: Online with remote supervision.*

*www.iata.org/training-exam-online-supervised
